Hereof fail not and make return of this warrant with your doings thereon at the time and place of said meeting.

Given under our hands this 19th day of August 1996.

SELECTMEN FOR PLAINVILLE

Robert Fennessy
ROBERT FENNESSY

Andrea Soucy
ANDREA SOUCY

CHARLES W. SMITH

CONSTABLE

8/20 1996
Month and Day

STATE PRIMARY

TOWN OF PLAINVILLE
September 17, 1996

Pursuant to the foregoing warrant for the State Primary election that was held in the Beatrice Wood Elementary School, 200 South Street, Plainville, Massachusetts, Norfolk County,

the following elections officials were sworn into their faithful performance of duty by the Town Clerk, Kathleen M. Sandland.

PRECINCT ONE

NAME	POSITION	PARTY
Joan Clarke	Warden	Republican
Bernice Barnaby	Clerk	Democrat
Vera Watson	Inspector	Democrat
Edith Bishop	Inspector	Unenrolled
Janis Bona	Inspector	Unenrolled
Doris Ross	Inspector	Republican
Naomi Beckman	Inspector	Republican

PRECINCT TWO

NAME	POSITION	PARTY
Joan Clarke	Warden	Republican
Evelyn Soule	Clerk	Democrat
Winifred Masino	Inspector	Democrat
Patricia Stewart	Inspector	Democrat
Barbara Parmenter	Inspector	Republican
Joan Lyons	Inspector	Republican
Lawrence Carpenter	Inspector	Republican
Rosemary Coates	Inspector	Democrat

The Town Clerk gave instructions to the poll workers on the Optec voting system and conduct regarding the election. At 7:00 A.M. the Town Clerk read the warrant and declared the polls officially open.

Precinct one ballot box was inspected by Bernice Barnaby and Helen Theriault. The ballot box was found to be empty. The Optec electronic scanner was turned on and the machine tape verified a count of zero. Precinct two ballot box was inspected by Evelyn Soule and Helen Theriault. The ballot box was found to be empty. The Optec electronic scanner was turned on and the machine tape verified a count of zero. The keys to the ballot box were turned over to the ballot box officer, Sargent Fred Ferguson.

Voting was extremely light throughout the day. At 8:35 A.M., the ballot box keys were turned over to police officer, Brian Malagrida. At 9:40 A.M. the absentee ballots were processed. One of absentee ballots would not go through the scanner in precinct 2 and had to be placed in the auxiliary box for hand count at close of election. The ballot box keys were turned over

to ballot box officer, Sergeant Fred Fergerson at 9:40 A.M. and at 12:00 noon to police officer Karie Bossa.

At 4:00 P.M. the ballot box keys were turned over to police officer James Rockett. Voting was light throughout the evening.

At 8:00 P.M. the polls were officially closed by Kathleen M. Sandland, Town Clerk. Precinct 1 ballot box had a count of 70 and precinct 2 ballot box had a reading of 115 plus one ballot in the auxiliary bin, totaling 116. The election tally was completed at 9:00 P.M. The Town Clerk, Kathleen Sandland read the results as listed on the next six pages.

Kathleen M. Sandland
Town Clerk

CONSTABLE

10-23 1996
Month and Day

GENERAL ELECTION

TOWN OF PLAINVILLE
November 5, 1996

Pursuant to the foregoing warrant for the General Election that was held in the Beatrice Wood Elementary School, 200 South Street, Plainville, Massachusetts, Norfolk County,

the following elections officials were sworn into their faithful performance of duty by the Town Clerk, Kathleen M. Sandland.

PRECINCT ONE

NAME	POSITION	PARTY
Joan Clarke	Warden	Republican
Barbara Parmenter	Assistant Warden	Republican
Bernice Barnaby	Clerk	Democrat
Vera Watson	Inspector	Democrat
Edith Bishop	Inspector	Unenrolled
Janis Bona	Inspector	Unenrolled
Doris Ross	Inspector	Republican
Naomi Beckman	Inspector	Republican
Georgette Plante	Inspector	Unenrolled
Marilyn Flynn	Inspector	Unenrolled
Mary Pelletier	Inspector	Unenrolled
Elaine Floyd	Inspector	Unenrolled
Carolyn Flanagan	Inspector	Democrat

PRECINCT TWO

NAME	POSITION	PARTY
Joan Clarke	Warden	Republican
Barbara Parmenter	Assistant Warden	Republican
Evelyn Soule	Clerk	Democrat
Winifred Masino	Inspector	Democrat
Patricia Stewart	Inspector	Democrat
Joan Lyons	Inspector	Republican
Lawrence Carpenter	Inspector	Republican
Jean Mathews	Inspector	Democrat
Marie Kenerson	Inspector	Democrat
Rosemary Coates	Inspector	Democrat
Mary Barrett	Inspector	Unenrolled

The Town Clerk gave instructions to the poll workers on the Optec voting system and conduct regarding the election.

At 5:15 A.M. 1800 ballots were received by Bernice Barnaby, precinct one clerk and 1800 ballots were received by Evelyn Soule, precinct two clerk.

At 5:30 A.M. precinct one ballot box was inspected by Bernice Barnaby and Helen Theriault. The ballot box was found to be empty. The Optec electronic scanner was turned on and the machine tape verified a count of zero. Precinct two ballot box was inspected by Evelyn Soule and Helen Theriault. The ballot box was found to be empty. The Optec electronic scanner was

turned on and the machine tape verified a count of zero.

At 6:00 A.M. the Town Clerk read the warrant and declared the polls officially open. The keys to the ballot box were turned over to the ballot box officer, Kyle Rockett.

At 7:45 A.M. one ballot would not go through the scanner in precinct two and had to be placed in the auxiliary ballot box for hand count at the close of election. Absentee ballots were processed throughout the day by Assistant Town Clerk, Helen Theriault and the precinct clerks. Fifty three people voted by absentee ballot in precinct one and 58 in precinct two. The absentee ballots went through the Optec scanner and into the ballot box the same way as the regular ballots and were included in the ballot box total.

At 11:00 A.M. the ballot box keys were turned over to police officer, Corrina Carter. At 11:45 A.M. one absentee ballot would not go through the scanner in precinct two and had to be placed in the auxiliary ballot box.

Voting was steady throughout the day. At 4:00 P.M. the ballot box keys were turned over to officer Gregory Kiff. Some people came in to vote and stated that they registered to vote at the Registry of Motor Vehicles. Some of these people were not on the voting list. We called the Office of the Secretary of State and asked them to check if these people had actually registered to vote at the Registry of Motor Vehicles. If it could not be verified that a person had registered to vote at the registry, then they were told that they could vote on an escrow ballot. This problem occurred in may cities and towns. Voters that did not respond to the census or confirmation mailing were designated as inactive ("I") on the voting list. If these people came to the polls to vote, they had to fill out an affirmation form stating their current and continuous residence in Plainville before they could vote.

Voting continued to be steady during the evening. At 7:55 P.M. the ballot box keys were turned over to officer James Rockett. At 8:00 P.M. the polls were officially closed by Kathleen M. Sandland, Town Clerk. Precinct one ballot box had a count of 1505 and precinct two ballot box had a reading of 1689 plus two ballots in the auxiliary ballot box, totaling 1691. Three people voted on an escrow ballot in precinct one and one person voted on an escrow ballot in precinct two. The election tally was completed at 10:00 P.M. The Town Clerk, Kathleen Sandland read the results as listed on the next four pages.

Kathleen M. Sandland
Town Clerk

TOWN OF PLAINVILLE

PROCEEDINGS OF THE SPECIAL TOWN MEETING

February 3, 1997

TOWN OF PLAINVILLE
WARRANT
FOR THE
SPECIAL TOWN MEETING
MONDAY, FEBRUARY 3, 1997
AT 7:30 P.M.
THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss

To Either of the Constables of Plainville:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in town affairs, to meet in the Beatrice H. Wood Elementary School Auditorium, South Street, in said Plainville, on

MONDAY, FEBRUARY 3, 1997

at seven thirty in the evening, then and there to act on the following articles, viz:

The Special Town Meeting was held on Monday, February 3, 1997. A quorum was present with a total of 148 voters checked in for the evening.

The Special Town Meeting was called to order at 7:30 P.M.

The Moderator, Sharon Friedman asked for a moment of silence in memory of Dick Soucy, Ronald Dix, and the father of Selectman, Charles Smith.

The Moderator opened the warrant and then asked the Town Clerk if there was a proper return of the warrant. The Town Clerk answered "yes".

The counters to the right of the Moderator were: Deborah Meyers and Pam Wood.
The counters to the left of the Moderator were: Dick Plante and Tom Simon.

The bounds of the hall were announced as the chairs in the center of the room. All people sitting in the bleachers or standing would not be recognized by the Moderator unless they were sitting in the chairs. All speakers had to use the microphone if they wished to speak and had a time limit in accordance with the town by-law. All motions had to be written on prepared motion forms provided by the Town Clerk.

A motion was made by Robert Fennessy, seconded by Charles Smith--I move that the following non-residents of Plainville be allowed to speak at all sessions of the Special Town Meeting:

Water/Sewer Superintendent	James Marshall
Town Accountant	Vera MacDonald
Town Administrator	Joseph Fernandes
King Philip School District Superintendent	Perry Davis
Town Counsel	John Lee and Associates

ARTICLE 1: To see if the Town will vote to transfer $3,700 or any other sum from available funds to the Highway Department FY 1997 Expense Account in order to offset the cost incurred in the replacement of a furnace, or do or act in any manner relative thereto. (Sponsor: Highway Department)

DATE OF ACTION: February 3, 1997

MEETING ACTION: Transfer $3,700 from Free Cash to Highway Department's FY 1997 expense account to offset costs incurred in the replacement of furnace.

RESULT OF VOTE: UNANIMOUS

ARTICLE 2: To see if the Town will vote to transfer $2,500 or any other sum from available funds to the Finance Committee's FY 1997 Expense Account for the purpose of preparing and distributing to the household of each registered voter a report containing information and the Finance Committee's recommendations on articles on the Annual Town Meeting Warrant, or act in any manner relative thereto. (Sponsor: Finance Committee)

DATE OF ACTION: February 3, 1997

MEETING ACTION: Transfer $2,500 from free cash to Finance Committee's FY 1997 expense account, such sum to be spent for preparation and distribution to the household of each registered voter a report containing the warrant for the Annual Town Meeting and the Finance Committee's recommendations.

RESULT OF VOTE: MOTION CARRIED

ARTICLE 3: To see if the Town will vote to transfer $921.72 or any other sum from available funds for the purpose of paying bills of prior fiscal years incurred by the Animal Control Officer, such sum to be expended under the direction of the Board of Selectmen, or do or act in any manner relative thereto. (Sponsor: Board of Selectmen)

DATE OF ACTION: February 3, 1997

MEETING ACTION: Transfer $921.72 from Free Cash for purpose of paying bills of prior years.

RESULT OF VOTE: 9/10 Vote: Yes: 76 No: 7 MOTION CARRIED

ARTICLE 4: To see if the Town will vote to transfer $15,564 from the Chapter 90 Conjunction Funds Account to the Highway Construction Fund Account, such funds to be expended under the direction of the Highway Superintendent, or do or act in any manner relative thereto. (Sponsor: Highway Department)

DATE OF ACTION: February 3, 1997

MEETING ACTION: Transfer $15,564 from Chapter 90 Conjunction Account to the Highway Construction Fund Account.

RESULT OF VOTE: MOTION CARRIED

ARTICLE 5: To see if the Town will vote to transfer $3,000 or any other sum from available funds for the payment of fees associated with the acquisition of Medicaid reimbursements for eligible costs incurred in the Plainville School system, such funds to be expended under the direction of the Board of Selectmen, or do or act in any manner relative thereto. (Sponsor: Board of Selectmen)

DATE OF ACTION: February 3, 1997

MEETING ACTION: Transfer $3,000 from Free Cash for purpose of paying fees associated with acquisition of Medicaid reimbursement collections.

RESULT OF VOTE: MOTION CARRIED

ARTICLE 6: To see if the Town will vote to transfer from available funds, or borrow, $33,489 or any other sum, as Plainville's share of the cost of the King Philip Regional School District Capital Plan for Fiscal Year 1997, or do or act in any manner relative thereto. (Sponsor: King Philip School Committee)

DATE OF ACTION: February 3, 1997

MEETING ACTION: Transfer $33,489 from Free Cash for Plainville's share of the cost of the King Philip Regional School District Capital Plan for Fiscal 1997.

RESULT OF VOTE: UNANIMOUS

ARTICLE 7: To see if the Town will vote to transfer from available funds, or borrow, or authorize the execution of a lease/purchase agreement, for a certain sum necessary to acquire a ladder-pumper combination truck along with necessary related equipment and other costs related to its procurement, such funds to be expended under the direction of the Public Safety Director, or do or act in any manner relative thereto. (Sponsor: Ladder Truck Study Committee)

DATE OF ACTION: February 3, 1997

MEETING ACTION: Appropriate the sum of $525,000 and said appropriation be funded by transferring $250,000 from Free Cash and balance of $275,000 to be borrowed. Funds to be used for purchase of a ladder-pumper combination truck along with necessary related equipment and other costs related to its procurement.

RESULT OF VOTE: 2/3 Vote: Yes: 130 No: 11 MOTION CARRIED

ARTICLE 8: To see if the Town will vote to **accept as a public way** within the Town of Plainville, the following street, with improvements thereon**, Millbrook Drive**, bounded and described as follows: Beginning at a granite bound on the southerly sideline of Millbrook Drive, at Station 1+31.00, and Lot 95 of "Millbrook Estates" subdivision plan hereinafter mentioned, thence running:

A TRUE COPY, ATTEST:

Kathleen M. Sandland

KATHLEEN M. SANDLAND
TOWN CLERK

September 2, 1997

March 24, 1997
Kathleen M. Sandland
Town Clerk - Return of Warrant
from Constable, Gregory Kiff

Pursuant to the foregoing warrant for the Annual Town Election that was held in the Beatrice Wood Elementary School, 200 South Street, Plainville, Massachusetts, Norfolk County,

The following election officials were sworn into their faithful performance of duty by the Town Clerk, Kathleen M. Sandland.

PRECINCT ONE

Name	Position	Party
Joan Clarke	Warden	Republican
Bernice Barnaby	Clerk	Democrat
Vera Watson	Inspector	Democrat
Janis Bona	Inspector	Unenrolled
Doris Ross	Inspector	Republican
Naomi Beckman	Inspector	Republican
Mary Pelletier	Inspector	Unenrolled
Carol Flanagan	Inspector	Democrat

PRECINCT TWO

Joan Clarke	Warden	Republican
Patricia Stewart	Clerk	Democrat
Barbara Parmenter	Inspector	Republican
Georgette Plante	Inspector	Unenrolled
Mary Barrett	Inspector	Unenrolled
Winifred Masino	Inspector	Democrat
Joan Lyons	Inspector	Republican
Lawrence Carpenter	Inspector	Republican
Jean Mathews	Inspector	Democrat

The Town Clerk gave instruction to poll workers on the Optec voting system and their conduct regarding the election.

At 7:30 A.M. the ballots were delivered to the precinct clerks. At 7:45 A.M. precinct one ballot box was inspected by Bernice Barnaby and Joan Clarke. The ballot box was found to be empty. The Optec electronic scanner was turned on and the machine tape verified a count of zero. Precinct two ballot box was inspected by Patricia Stewart and Helen Theriault, Assistant Town Clerk. The ballot box was found to be empty. The Optec electronic scanner was turned on and the machine tape verified a count of zero.

At 8:00 A.M. the Town Clerk read the warrant and declared the polls officially open. The keys to the ballot boxes were turned over to the ballot box officer, Scott Gallerani. At 8:14 A.M. precinct two scanner would not except a ballot, therefore it was considered

spoiled and another ballot was issued by the warden. At 10:00 A.M. ballot box keys were turned over to officer Corrina Carter.

Voting was light throughout the day. Absentee ballots were processed throughout the day by Assistant Town Clerk, Helen Theriault and the precinct clerks. One (1) person voted by absentee ballot in precinct one and ten (10) in precinct two. The absentee ballots go through the Optec scanner and into the ballot box the same way as the regular ballots and are included on the ballot box total.

At 12:00 noon, the ballot box keys were turned over to Sargent James Alfred. At 1:23 P.M. precinct two scanner rejected a ballot and it was then placed in the auxiliary ballot box (for hand count at close of polls). At 4:00 P.M. the ballot box keys were turned over to Officer James Rockett.

At 8:00 P.M. the polls were officially closed by Kathleen M. Sandland, Town Clerk. Precinct one ballot box had a reading of 281 ballots counted and precinct two ballot box had a reading of 503 ballots counted (plus one ballot in the auxiliary ballot box, totaling 504). The election tally was completed at 12:00 A.M. The Town Clerk, Kathleen M. Sandland read the results as listed on the next six (6) pages.

Respectfully submitted,

Kathleen M. Sandland
Town Clerk

TOWN OF PLAINVILLE

PROCEEDINGS OF RECOUNT ELECTION

APRIL 24, 1997

TOWN OF PLAINVILLE
PROCEEDINGS OF THE RECOUNT ELECTION
FOR THE POSITION OF SELECTMAN – APRIL 24, 1997

On April 24, 1997 at 10:30 A.M., a Recount Election of Annual Town Election of April 7, 1997 was held for the position of Selectman at the Plainville Town Hall, 142 South Street, Plainville, Massachusetts, Norfolk County.

Three members of the Board of Registrars chose to withdraw from their duties for the Recount Election due to the fact that they were politically active with the candidates.

The Board of Selectmen appointed Margaret Fish, 85 Pleasant Street, Donna Carter, 6 Mathurin Road and Edna Cacciapaglia, 37 Lincoln Avenue temporary Registrars.

The following election officials were sworn into their faithful performance of duty by the Town Clerk, Kathleen M. Sandland.

PRECINCT ONE

Name	Position	Party
Bernice Barnaby	Clerk	Democrat
Naomi Beckman	Tally Clerk	Republican
Mary Pelletier	Tally Clerk	Unenrolled
Marcia Hurkett	Runner	Republican

PRECINCT TWO

Patricia Stewart	Clerk	Democrat
Barbara Parmenter	Tally Clerk	Republican
Winifred Masino	Tally Clerk	Democrat
Joan Lyons	Tally Clerk	Republican
Jean Mathews	Tally Clerk	Democrat
Helen Theriault	Runner	Republican

Margaret Fish, Donna Carter and Edna Cacciapaglia were sworn in as temporary Registrars for the Recount Election by Town Clerk, Kathleen M. Sandland. The Registrars were given instructions on their duties.

The following observers were named on a list provided by candidates. The observers stood behind the Tally Clerks.

Precinct One	Precinct Two
Bonnie Gilmore	Joan Clarke
Ann Coleman	Frank Grzenda

TOWN OF PLAINVILLE
PROCEEDINGS OF THE RECOUNT ELECTION
FOR THE POSITION OF SELECTMAN – APRIL 24, 1997

Town Counsel, Attorney John P. Lee was present. Police officer, Gregory Kiff was present to witness delivery of ballots, hold ballot box keys and keep order.

On a note received in the Town Clerk's office on April 23, 1997, Ronald Fredrickson authorized Joan Clarke to be his spokesperson and observer and Ann Coleman to be an observer. Robert H. Fennessy, Jr. authorized Susan C. Fennessy to be his spokesperson and Bonnie Gillmore and Frank H. Grzenda to serve as observers on a letter received in the Town Clerk's office on April 24, 1997.

At 10:30 A.M. Town Clerk, Kathleen M. Sandland opened the Recount Election. The Town Clerk gave instructions on procedures and conduct for the Recount Election. The Town Clerk stated that the only position to be viewed and counted is Selectmen.

Officer Gregory Kiff and Town Clerk, Kathleen M. Sandland went to the vault and got the precinct boxes containing the ballots. The Precinct Clerks broke the seals on the precinct boxes, unlocked the bolts and handed the keys to police officer, Gregory Kiff. The contents of the precinct boxes which contained used and unused ballots, absentee ballot envelopes, clerk's notes, spoiled ballots, tally sheets and tapes were delivered to the Registrars' table (excluding the voted ballots) for their inspection. An unopened absentee ballot (Precinct Two) that arrived after the election was also placed on the Registrars' table.

The Precinct Clerks counted the ballots in blocks of fifty and attached a block tally sheet and then delivered them to the Tally Clerks. In each precinct, one Tally Clerk read the ballot and the other looked at the ballot and recorded the vote on the tally sheet.

At 11:10 A.M. a ballot was questioned in Precinct Two. The Registrars inspected the ballot. The spokespersons and the Registrars agreed that the vote on the ballot should not be protested.

At 11:20 A.M. a ballot was questioned in Precinct Two. The Registrars and the spokesperson for each candidate inspected the ballot and agreed that the ballot should not be protested.

At 11:25 A.M. a ballot in Precinct One was protested. The Registrars and the spokespersons examined the ballot. Because the ballot had marks near each candidate's name, the Optec Scanner recorded the vote as a blank at the April 7, 1997 Annual Town Election. The Registrars and the spokespersons agreed that the vote should go to Robert H. Fennessy, Jr.

TOWN OF PLAINVILLE
PROCEEDINGS OF THE RECOUNT ELECTION
FOR THE POSITION OF SELECTMAN – APRIL 24, 1997

At 11:45 A.M., Patricia Stewart gave the master tally sheet for both precincts to recording secretary, Colleen Gardner. She read the results of the election as follows:

Selectmen	PR-1	PR-2	Total
Robert H. Fennessy, Jr.	155	231	386
Ronald A. Fredrickson	123	271	394
Blanks	2	2	4
Walter Sandland (Write-in)	1	0	1
TOTAL	281	504	785

Robert H. Fennessy, Jr. made a brief statement thanking the Town Clerk, workers, Registrars and observers for their effort on behalf of the Recount Election and also congratulated Ronald Fredrickson.

At 12:05 P.M., the Town Clerk declared the Recount Election officially closed.

Respectfully submitted,

Kathleen M. Sandland
Town Clerk

TOWN OF PLAINVILLE

PROCEEDINGS OF THE ANNUAL TOWN MEETING

June 2, 1997

TOWN OF PLAINVILLE

WARRANT

FOR THE

ANNUAL TOWN MEETING

MONDAY, JUNE 2, 1997

AT 7:30 P.M.

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss

To Either of the Constables of Plainville:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in town affairs, to meet in the Beatrice H. Wood Elementary School Auditorium, South Street, in said Plainville, on

MONDAY, JUNE 2, 1997

at seven thirty in the evening, then and there to act on the following articles, viz:

The first session of the Annual Town Meeting was held on Monday, June 2, 1997, with a total of 169 voters checked in for the evening. The Town Moderator, Sharon Friedman called the meeting to order at 7:30 P.M. A quorum was present. The Town Clerk stated that the warrant was posted and returned in proper fashion.

The moderator commended Ronald Fredrickson, former Highway Superintendent, and presently a member of the Board of Selectmen for his many years of service to the Town of Plainville. She also acknowledged Everett W. Skinner for his service to the town and stated that the June 30, 1996 annual report would be dedicated in his memory. The moderator called for a moment of silence.

At 10:10 P.M. a motion was made and seconded to adjourn the town meeting to Wednesday June, 4, 1997 at 7:30 P.M.

The second session of the Annual Town Meeting was held on Wednesday, June 4, 1997, with a total of 78 voters checked in. A quorum was present and the Town Moderator called the meeting to order at 7:40 P.M. The Annual Town Meeting closed at 10:20 P.M. The original minutes are filed in the Town Clerk's Office.

(Sponsor: Board of Library Trustees)

DATE OF ACTION: June 04, 1997

MEETING ACTION: Raise and appropriate $3,000 for purpose of painting the trim work of Plainville Public Library.

RESULT OF VOTE: Unanimous

ARTICLE 28: To see if the Town will vote to **accept as a Public Way** within the Town of Plainville, the following street with improvements thereon, **Morningside Road**, bounded and described as follows:

Beginning at a granite bound on the westerly side of Landau Road, a public way, said bound being on a curve to right having a radius of 850.00 feet and located 57.91 feet from the point of curvature;
Thence by a curve to left having a radius of 25.00 feet a distance of 37.20 feet to a point of tangency;
Thence S 63 33'02" F a distance of 106.20 feet to a point of curvature;

Thence by a curve to the left have a radius of 150.00 feet a distance of 150.15 feet to a point of tangency;
Thence N 59 05' 47"E a distance of 251.45 feet to a point of curvature;
Thence by a curve to the right having a radius of 350.00 feet a distance of 95.89 feet to a point of tangency;
Thence N 74 47'36"E a distance of 151.75 feet to a point of curvature;
Thence by a curve to the left having a radius of 536.13 feet a distance of 196.50 feet to a point of tangency;
Thence N 53 47'36"F a distance of 277.00 feet to a point of curvature;
Thence by a curve to the right having of 70.00 feet a distance of 322.86' to a point of reverse curvature;
Thence by a curve to the left having radius of 30.00 feet a distance of 441.2 feet to a point of tangency;
Thence S 53 47'36" W a distance 177.50 feet to point of curvature;
Thence by a curve to the right of having a radius of 586.13 feet a distance of 214.83 feet to a point of tangency;
Thence S 74 47'36"W a distance of 151.75 feet to a point of curvature;
Thence by a curve to the left having a radius of 300.00 feet a distance of 82.19 feet to point of tangency:
Thence S 59 05'47" W a distance of 251.45 feet to a point of curvature;
Thence by a curve to the right having a radius of 200.00 feet a distance of 200.20 feet to point of tangency;
Thence N 63 33'02" W a distance of 103.64 feet to a point curvature;
Thence by a curve to the left having a radius of 25.00 feet a distance of 38.48 feet to point on the westerly side of Landau Road;
Thence by the westerly side of Landau Road by a curve to the left having a radius of 850.00 a distance of 97.24 feet to the point and place of beginning.

The above described parcel contains 77,300+ square feet or 1.88 acres. Being shown as Road "C" (50 feet wide) on a Definitive Plan of Land, Phase IV of Messenger Glen, recorded in the Norfolk County Registry of Deeds in Plan Book 10747 Page 696. Or, do or act in any manner relative thereto. (Sponsor: Planning Board)

DATE OF ACTION: June 04, 1997

MEETING ACTION: Accept Morningside Road as a public way (as printed).

RESULT OF VOTE: Unanimous

ARTICLE 29: To see if the Town will vote to raise and appropriate, or transfer from available funds, $29,580 or any other sum as Plainville's share of the King Philip Regional School District Capital Plan, or do or act in any manner relative thereto. (Sponsor: King Philip School Committee)

DATE OF ACTION: June 04, 1997

MEETING ACTION: Transfer $2,965 from Wetland Protection Fees to Wetland Protection Fund.

RESULT OF VOTE: Unanimous

ARTICLE 48: To see if the Town will vote to amend the Town of Plainville Zoning Bylaw by adding the following Section:

3.15 Commercial Interchange District

3.15.1 Purpose

The purpose of the Commercial Interchange District ("CID") is to enhance the welfare of the community by promoting stable and sustainable economic development of appropriate land areas which are valuable to the local economy, while preserving the health and safety of its residents; and to provide protection for the Town's natural resources from environmentally undesirable or adverse impact by encouraging innovative and efficient planning for commercial developments.

3.15.2 Applicability

All uses and developments located within the Commercial Interchange (CI) District must conform with the provisions of Section 3.15. Proposed developments in the CI District are not required to obtain the Special Permits described in Section 3.11 (Water Resources Protection), Section 3.12 (Watershed Protection District, Section 3.14 (Floodplain), and Section 2.12 (Earth Removal) and 3.8 (Earth Removal). However, where they are applicable, the purpose and use regulations of those sections shall be met by proposed CI developments, and the review procedures shall be incorporated by the Planning Board into their review of CI proposals. In the event of any inconsistencies or conflicts between other Sections of the Zoning By-Law and Section 3.15, the provisions of Section 3.15 only shall apply.

3.15.3 Use Regulations

3.15.3.1 Permitted Uses

The following uses are permitted as-of-right in the CI District:

(1) Agriculture, horticulture, floriculture, viticulture
(2) The sale of produce, wine and dairy products; provided that during the months of June, July, August and September of every year, the majority of such products for sale (based on either gross sales dollars or volume) have been produced by the owner of the land on which the facility is located.

3.15.3.2 Special Permit Uses

The following uses are permitted in the CI District, subject to the issuance of a Special Permit from the Planning Board:

(1) Child Care/Daycare center
(2) Animal Kennel or Hospital
(3) Retail Business
(4) Wholesale Business
(5) Business Offices
(6) Restaurant (Indoor)
(7) Municipal Use
(8) Religious Use
(9) Commercial Recreation
(10) Golf Course
(11) Hotel or motel
(12) Conference Center
(13) Medical Facilities
(14) Uses accessory to Items (1)-(13) above
(15) Uses accessory to agriculture, horticulture, floriculture or viticulture, provided that such activities are necessary in connection with scientific research or scientific development or related production.

3.15.3.3 Prohibited Uses

All other uses are not permitted in the CI District.

3.15.3.4 Intensity of Use

Developments within the CI District shall conform with the following area, intensity and dimensional requirements:

a. Minimum Lot Requirements

(1) Minimum Lot Area: 5 acres
(2) Minimum Frontage: 225 feet

b. Minimum Yard Requirements
(1) Front Yard: 90 feet
(2) Side Yard: 15 feet*
(3) Rear Yard: 25 feet*

* Where the CI District abuts residential zones or existing residential uses, the minimum yard depth shall be 100 feet. At least 75 percent of side and rear yards shall be landscaped or left in a natural wooded state. No impervious area other than access driveways from the frontage road shall be located within 90 feet of residential zones or existing residential uses.

c. Maximum Building Coverage

No more than 65 percent of a lot (or lots in an integrated development) shall be rendered impervious.

d. Minimum Landscaped Open Space

A minimum of 30 percent of the lot (or lots in an integrated development) shall be landscaped open space. Landscape plans shall be prepared by a Massachusetts Registered Landscape Architect.

e. Maximum Building Height

Maximum building height in the CI District is thirty (30) feet.

3.15.4 General Regulations and Standards

Developments in the CI District shall comply with all applicable regulations of Section 3.3 (Sign Regulations), Section 3.4 (Specific Standards in Commercial and Industrial Districts), and Section 3.5 (Parking Requirements), unless otherwise specified within Section 3.15.

3.15.4.1 Sewerage

All developments in the CI District must be connected to a municipal sewerage system.

3.15.4.2 Water Supply

Potable water of quality and quantity acceptable to the Board of Health and Fire Chief for all proposed uses and fire protection must be provided.

3.15.4.3 Drainage

Developments in the CI District must comply with all applicable drainage standards of the Rules and Regulations governing the Subdivision of Land in Plainville, Mass., including the preparation of a Stormwater Management Plan.

3.15.4.4 Traffic

Developments in the CI District must comply with all applicable traffic standards of the Rules and Regulations Governing the Subdivision of Land in Plainville, Mass., including the preparation of a Traffic Impact Assessment.

3.15.4.5 Parking Lots and Loading Areas

a. All parking shall be provided and wholly located within the CI District, and shall comply with the minimum standards set forth in Section 3.5.1.

b. At least 10 percent of the total number of parking spaces provided shall be a minimum of 10 feet wide and 20 feet long, and shall be located within 300 feet of the building to be served. Such spaces shall be in addition to any handicapped parking spaces.

c. Aisles in parking lots shall be a minimum of 24 feet wide. Aisles adjacent to or nearest buildings or servicing loading areas shall be at least 30 feet wide.

d. Loading areas shall be designed and constructed so as to allow reasonable maneuvering by large vehicles without danger of vehicles overrunning curbs or striking site features. All designs shall be based on the most recent AASHTO vehicle turning radii/patterns for the largest vehicle that would reasonably be expected to service the facility.

e. Landscaping shall, at a minimum, be in accordance with Section 3.5.1.3. The Planning Board may require reasonable and proper landscaping in any development that will be harmonious with the nature and extent of the proposed project and its surroundings.

f. All loading areas shall be screened from the remainder of the development to the maximum extent practicable.

g. All dumpster, compactor or other refuse collection areas, pallet yards, or similar features shall be effectively screened by a fence around the perimeter of the area with a lockable gate, or other screening deemed suitable by the Planning Board.

3.15.4.6 Hazards

Any areas deemed hazardous by the Board shall be protected in a manner reasonably acceptable to the Board, based on the degree of hazard. The ultimate liability for any hazardous area, whether or not addressed by the Board, is the responsibility of the applicant or owner.

3.15.4.7 Water Resource Protection

The outdoor storage of salt, snow-melting chemicals, pesticides, herbicides, water soluble chemicals, radioactive substances or volatile chemical compounds is prohibited in the CI District.

3.15.4.8 Signage

Signage for the CI District shall conform to the applicable regulations of Section 3.3.1 Flashing or Moving Parts and 3.3.2 Illuminated Signs. Signs within the CI District shall further conform to the regulations of 3.3.4 Signs in Commercial Districts with the following exceptions: More than one sign per building shall be permitted and/or any freestanding

signs may exceed height and area regulations and /or directional signs may exceed three (3) square feet in size subject to the issuance of a Special Permit by the Planning Board.

3.15.5 Administrative Procedures

a. Applications. The Planning Board shall develop an application form for applications submitted pursuant to this Section and a request form for the pre- submission conferences.

b. Pre-Submission Conference. Prior to filing an application for a Special Permit for a development in the CI District, the applicant shall request, in writing, a pre- submission conference with the Planning Board. The Planning Board shall conduct such a conference within 45 days of its receipt of such a request. Copies of the preliminary site development plan shall be forwarded to the boards and officials listed in 1.3.2 for review and comment.

At the pre-submission conference the Planning Board shall discuss the plan with the applicant and shall forward any comments raised by the Planning Board promptly to the applicant. In addition, the Planning Board shall determine at the pre-submission conference the scope of the Development Impact Statement (DIS) for the project. Any comments and the DIS scope shall be provided in writing.

c. Special Permit. Each application for a special permit shall be filed by the applicant with the Town Clerk, and a copy of said application, including the date and time of filing certified by the Town Clerk, shall be filed forthwith by the applicant with the Planning Board. Special permit applications shall include a Development Impact Statement for the proposed project.

d. Final As-Built Plans. An as-built plan or plans showing the project as actually constructed [with respect to buildings, parking areas, utilities, and major site features] shall be submitted to the Planning Board, Board of Water and Sewer Commissioners, Highway Department, and Board of Assessors, and Fire Department upon completion of the project. As-built plans should be prepared generally in conformance with the as-built plan requirement for subdivisions as prescribed by the Town of Plainville Subdivision Rules and Regulations.

e. Project Segmentation. All CID applications shall depict all development contemplated unless the project is to be "phased" and the applicant's intent to phase the project submitted under this Section is clearly and unambiguously represented to the Planning Board. The dividing of projects submitted under this Section into segments in order to circumvent provisions of this Section is hereby prohibited.

3.15.6 Information Requirements

a. Pre-Submission Conference. A preliminary site development plan shall accompany the request for a pre-submission conference. The plan shall include, generally, (1) existing topography and site features (2) the location of all proposed structures; (3) parking and loading areas; (4) access roadways; (5) sanitary facilities;

(6) stormwater management facilities; and (7) off-site traffic mitigation measures. The preliminary site development plan or plans shall be accompanied by a brief narrative generally conforming to the format of the Environmental Notification Form (ENF) required under the Massachusetts Environmental Policy Act (301 CMR 11.00). If it is expected that the proposed project will require the preparation of an ENF, a draft copy of the ENF shall be submitted.

b. Special Permit Application. Plans accompanying an application for a Special Permit in the CI District shall comply with the requirements of Section 3.13.4. Applicants shall submit 15 copies of a completed application form signed by the applicant or the applicant's authorized representative, 15 sets of plans, 6 copies of the Development Impact Statement (if required), and 6 copies of the ENF (if required).

c. Development Impact Statement. The DIS shall comply with the scope that is formulated at the pre-submission conference. Items that may be addressed by the DIS include, but are not limited to: effects on stormwater runoff flows, erosion and sediment control plans, method of recycling water into the ground, the maintenance and improvement of the flow and quality of surface and subsurface water; the preservation of wildlife habitat, historic sites, unique geological, botanical and archaeological features, physical condition of the site and surrounding area and access to open space areas; public utilities, the local business economy and municipal finances; and the health and safety of the inhabitants of the area. The Planning Board will specify the depth and level of DIS analysis for each proposed development that is commensurate with the magnitude of the project; however, the following sections describe typical information that may be required:

(1) Physical Conditions

(a) Description of existing, physical conditions of the site, including topography, location and varieties of vegetation and geologic type, scenic and historical features, open space links, and indigenous wildlife.

(b) Description of how project will affect above features.

(c) Provide a complete description of the project including its effect on the surrounding area and watershed.

(d) Impact of proposed development on air quality, traffic, and noise levels.

(2) Surface Water and Erosion Control

(a) Description of location, size and type of existing water bodies, wetlands and flood plains; including existing surface drainage characteristics, both within and adjacent to the project.

(b) Applicant shall submit stormwater management system design calculations as required by the current Board of Health regulations and Plainville Subdivision Regulations.

(c) Pollutant loading analysis for the project calculated using either the methodologies described in "Best Management Practices; Controlling Urban Runoff" (reference) or the computer program: "P8: Urban Catchment Model" by I.E.P. Inc. of Northborough, Massachusetts, or similar programs such as "SWMM" by the U.S.E.P.A. Pollutant loadings resulting from the project shall analyze Phosphorus, Nitrate, BOD and Suspended Solids in ppm compared with acceptable state standards; to assist in analysis of project's impact on water quality.

(d) Applicant shall submit copies of the erosion control plans for the project which shall delineate both temporary (construction) and permanent erosion control methods to be used. Construction measures must be planned in accordance with the requirements of the applicable National Pollutant Discharge Elimination System permit requirements for discharges associated with construction activities for all sites with disturbed areas in excess of five (5) acres. For sites with disturbed areas less than five (5) acres and for permanent erosion controls the plan shall embody the methodologies described in "Massachusetts Conservation Guides I & II" by the U. S. D. A. Soil Conservation Service, most recent editions.

(e) Describe approximate size and location of land to be cleared at any given time and length of time of exposure; covering of soil stockpiles, and other control methods.

(f) Describe and evaluate the permanent methods to be used to control erosion and sedimentation. Criteria to include in a descriptive analysis are:

(i). Calculate amount of anticipated soil loss on-site due to erosion; use of SCS Universal Soil Loss Equation shall be employed.

(ii) Designate any existing or proposed areas subject to flooding.

(iii) Proposed surface drainage system(s).

(iv) Methods to be used to protect existing vegetation.

(v) The relationship of the development to the topography including techniques to control runoff.

(vi) Any proposed alterations of shore lines, marshes or seasonal wet areas.

(vii) Any existing or proposed flood control or drainage easements.

(viii) Estimated increase of peak runoff caused by altered surface conditions, and methods to be used to return water to the subsurface.

(ix) Effects on surface water quality.

(3) Groundwater and Soil Conditions

(a) Where appropriate, the Planning Board may require soil surveys to establish the suitability of the land for proposed storm drainage installations and building foundation stability. In preparing the statement, the applicant shall utilize the Soil Survey Maps and Manual, prepared by the Soil Conservation Commission, U. S. Department of Agriculture, or industry recognized in-situ investigative methods.

(b) Describe any limitations on the proposed project resulting from subsurface soil and water conditions; including methods to overcome limitations.

(c) Describe approximate depth to bedrock and ground water table based on reference to Surficial Geology Maps or through test borings.

(d) Describe procedures and findings of percolation tests conducted on the site.

(e) Describe any proposed Environmental Remediation planned for the site resulting from the need to remove EPA or State-listed hazardous materials present on the site.

(4) Human Environment

(a) Provide a tabulation of proposed buildings by use, construction type, minimum lot area (number of bedrooms, floor area), ground coverage, and a summary showing the percentage of the tract to be occupied by buildings and parking and remaining open space.

(b) Describe type of construction, building materials used, location of common areas, location and type of service facilities (laundry, trash, garbage disposal).

(c) Description of location, size and type of active and passive recreational facilities and open space available to residents.

(d) Describe proximity to transportation facilities, shopping areas and educational centers.

(5) Services Impacts

(a) Provide data estimating local roadway network impacts due to projected traffic flow at peak hours; include projected vehicle trip generation, roadway volumes, intersection level of service changes and capacity estimations on connecting streets.

(b) Determine safety impact the development will have on connecting arterial streets; accident trends and rates are to be calculated.

(c) Show the location of parking areas, circulation patterns and number of vehicle spaces.

(d) Determine the effect of the project on the town water supply and distribution system.

(e) Determine sewerage impact on capacities of existing Town facilities and the North Attleborough [Ten Mile] Sewage Treatment Plant, including the effect on capacity limits and projected increased charges to the Town based on the intermunicipal sewage agreement between Plainville and North Attleborough.

(6) Fiscal Impact

(a) Conduct a quantitative-qualitative cost-revenue fiscal analysis describing the cumulative impact the development shall have on Town financial resources.

(b) Cost factors include the following: project effect on police and fire protection, highways and Public Works' service, solid waste and sewerage disposal facilities, educational services, recreational facility impact and health services.

(c) Revenue factors including the following: project effect on property taxes, water and sewer fees, vehicular taxes, licenses and fees, and miscellaneous business taxes.

(d) The fiscal impact studies required herein shall be prepared using either the "Proportional Valuation Method", "Case Study Method", or the "Employment Anticipation Method" as described in the most current edition of "The Fiscal Impact Handbook" published by the Rutgers University Center for Urban Policy Research. The Planning Board shall approve the methodology to be used during the pre-submission conference. All local factors shall be determined from past municipal budgets, tax assessors information, and other verifiable public records.

3.15.7 Review Procedures

a. Public Hearing. Within 65 days of the filing of a complete formal application for a Special Permit for a development in the CI District, the Planning Board shall hold a public hearing on the proposal. Notice of such public hearing shall be given in accordance with Section 11 of Chapter 40A of the Massachusetts General Laws.

b. Review Criteria. In making a decision on an application for a Special Permit in the CI District, the Planning Board shall consider the following:

(i) The purpose of the Commercial Interchange District as stated in Section 3.15.1
(ii) Health, safety and general welfare of the public
(iii) Conservation and preservation of the natural environment
(iv) Impacts on abutting properties and neighborhoods
(v) Compliance with the Plainville Master Plan and Open Space Plan
(vi) Proper drainage of the site
(vii) Safe access to and from the development
(viii) Capacity of the existing traffic network to accommodate projected increases
(ix) Adequacy of proposed water, sewer, fire protection and public safety provisions

(x) Impacts on water resources, including wetlands, streams, water bodies, groundwater and floodplains
(xi) Visual and aesthetic quality
(xii) Impacts on municipal services and fiscal capacity

c. Decision on the Special Permit. The decision of the Planning Board shall be made within ninety days of the date of the public hearing, unless the decision period is extended by written agreement between the applicant and the Planning Board.

3.15.8 Appeal

The Zoning Board of Appeals as established by Chapter 40A of the Massachusetts General Laws shall hear and decide appeals in regards to determinations made by the Planning Board in the enforcement or administration of Section 3.15.

Or, to see if the Town will vote to do or act in any manner relative thereto. (Sponsor: Planning Board)

MEETING ACTION: No motion

RESULT OF VOTE: Article failed

ARTICLE 50: To see if the Town will vote to amend the Town of Plainville Zoning By- Law (Chapter III of the Town of Plainville By-Laws), by making the following changes:

(1) Add the following to Section 2.1:

"CI - Commercial Interchange District"

(2) Replace the existing Section 2.5.2 with the following:

" 2.5.2 Buildings, Pads and Premises - No building shall be erected or used or premises used, except in conformity with the Intensity of Use Schedule (Section 2.8) or Section 3.15 (Commercial Interchange District). No more than one building shall be erected or used on any one lot, except as part of an integrated development in the CI District."

(3) Replace the existing Section 2.5.3 with the following:

"2.5.3 Yards and Open Space - No part of any yard or other open space required for the purpose of complying with the provisions of this By-Law shall be counted as part of a yard or other open space required for a building on another lot, except in the case of integrated developments in the CI District. Integrated developments in the CI District that are located on more than one lot shall be considered to be on one lot, and separate yards shall not be required for interior lot lines."

(4) Add the following new Section 3.4.1:

"3.4.1 Buffers - In the CI District, a minimum 50-foot deep landscaped buffer strip must be provided adjacent to any road."

(5) Add the following definition to Section 4.1:

" Integrated Development - a commercial development of one or more buildings that may be located on two or more contiguous lots, and is sited and designed as a unit."

Or, to see if the Town will vote to do or act in any manner relative thereto. (Sponsor: Planning Board)

ARTICLE 51: To see if the Town will vote to amend the Town of Plainville Zoning By- Law (Chapter III of the Town of Plainville By-Laws) by making the following change:
Replace the existing Section 3.5.1 with the following:

"3.5.1 Minimum Standards:

Stores - Retail Business - At least one space for every 250 square feet of gross floor space.

Offices - Banks and Similar Business - One space for each 300 square feet of floor area.

Motels, Hotels, Inns and similar uses - 1.2 spaces for each lodging unit.

Theaters, Funeral Homes, and Places of Assembly - One space for every three seats.

Restaurants and other places serving food or beverages - One space for every three seats.

Single-Family Residences - Two spaces for each individual dwelling unit.

Multi-Family Residences - 2.5 spaces for each family unit.
Industrial, Manufacture and Wholesale Uses - One space for every 250 square feet of gross manufacturing and assembly space.

Bowling Alleys - Four spaces for each alley.

Boarding house - One space for each sleeping room.

Medical or Dental Center or Professional Offices - 1 space for each 250 square feet of floor area.

Other Uses - All other types of commercial and industrial uses not specifically mentioned shall provide one space for every 250 square feet of gross floor area.

Mixed-Uses - Where more than one use is provided in a development, the number of required parking spaces shall be calculated by adding the number of spaces specified above for the proposed area of each individual use within the development.

Egress - Not more than one entrance and exit shall be permitted onto a street from any parking area per 200 feet of frontage or fraction thereof in a commercial district and 300 feet of frontage or fraction thereof in other districts. Each entrance and exit may not be more than 30 feet in width.

ARTICLE 52: To see if the Town will vote to amend the Town of Plainville Zoning By- Law (Chapter III of the Town of Plainville By-Laws), by making the following changes:

(4) Replace the existing Section 1.3.2 with the following:

"1.3.2 Site Plans - If Site Plan, Floodplain or Special Permit review by the Planning Board is required, the project proponent shall submit fifteen (15) copies of the site plan and other required information to the Planning Board with written notice, a copy of the site plan and supporting information to the Town Clerk.

The Planning Board shall forward one copy of the site plan to each of the following: the Zoning Board of Appeals, Conservation Commission, Board of Health, Highway Superintendent, Fire Chief, Police Chief, Historical Commission, Industrial Development Commission and Board of Selectmen, for review and comment. Failure of such boards and officials to forward comments to the Planning Board within thirty-five days of receipt of a petition shall be deemed lack of opposition thereto. The Planning Board shall take into consideration the comments received in acting upon the application for a development permit, and shall forward a copy of its decision to the above boards and officials."

ARTICLE 54: To see if the Town will vote to amend the Town of Plainville By-Laws, Chapter I, SECTION II - GOVERNMENT OF TOWN MEETINGS, subsection 2.1, by changing the quorum count stated therein from sixty (60) to zero (0) such that the amended section would read as follows:

> Any number of voters greater than zero (0) shall constitute a quorum for purposes of conducting the Town's business at any session of Town Meeting.

Or, do or act in any manner relative thereto. (Sponsor: Board of Selectmen)

DATE OF ACTION: June 04, 1997

MEETING ACTION: Amend Town of Plainville By-laws, Ch. 1 Sect. II – Government of Town Meetings Subsection 2.1 by changing the quorum count from sixty to 0.

RESULT OF VOTE: 2/3 Vote - Yes: 17 No: 51 Motion failed, Reconsideration failed

ARTICLE 55: To see if the Town will vote to revise the Town of Plainville Official Zoning Map by changing the Zoning Classification of the area hereafter described from "CB--General Commercial District" to "CC--Roadside Commercial District"

Land located in Plainville, Massachusetts on the westerly side of South Street, and bounded and described as follows;

> beginning at a point in the westerly sideline of South Street, said point being the southeast corner of lot #118 as shown on Assessors Map #12; thence running southerly, in the westerly sideline of South Street a distance of 903.3 ft., be the same more or less, to the southeasterly corner of lot #124, as shown on Map #12;
> thence turning and running westerly, bounded southerly by land belonging to the Town of Plainville, a distance of 200 200 ft. to the present zone line; thence turning and running northerly, in a line parallel to and 200ft. distance from the westerly sideline of said South Street, a

distance of 903.3 ft., be the same more or less, to a point formed by the projection of the existing property line between lots #1189 and #119 and the existing zone line; thence turning and running easterly, bounded in part northerly by lot #118 and in part southerly by lot #119, a distance of 200 ft. to the westerly sideline of South Street and being the point of beginning.

The above described area is shown on a plan titled, "Plan of land in Plainville, Massachusetts, showing Proposed Zoning Change, March 1997, Scale: 1"=100', W.T. Whalen Engineering Co., No. Attleborough, MA." and to which plan further reference might be had. (Sponsor: By Petition)

ARTICLE 56: To see if the Town will vote to delete in its entirety the Town of Plainville By-Law, Chapter I, Section XII - Town Inspectors and replace it with the following proposed amended Chapter V, Section XII of the Town of Plainville Building By-Law:

SECTION XII - FEES

12.1.1	Residential - permits are not refundable nor transferable	
12.1.1.1	Entire new single family dwelling (3 inspections)	$60.00
12.1.1.2	Underground service or waterwell or both, new dwelling add	$20.00
12.1.1.3	Multi-family dwelling-first unit	$60.00
	each additional unit	$50.00
12.1.1.4	Service charge per meter	$20.00
12.1.1.5	Underground service and waterwell	$40.00
12.1.1.6	Additions or alterations to existing dwelling over three devices total of (2 inspections)	$40.00
12.1.1.7	Minimum Wiring fee: Burglar alarm, telephone, cable T.V., T.V. for security system, sound system, other low voltage, trench inspection gas or oil burner	$25.00
12.1.1.8	Swimming pools - above ground	$40.00
	Swimming pools - in-ground	
12.1.1.9	Temporary service	$25.00
12.1.1.10	Reinspection permit-requires additional permit	$25.00
12.1.1.11	Permit renewal	$20.00
	permits for new work expire 1 year from issuance	
	permits for remodeling and pools expire 6 months	
12.1.1.12	Generators	$30.00
12.1.1.13	Fire alarm system to municipal box in multi-family building	$50.00
12.1.1.14	Sewer ejection pump inspection	$30.00
12.1.1.15	House panel and devices connected to multi-family building (2 inspections)	$40.00
12.1.1.16	Mobile home from multi-pedestal or individual distribution box (3 inspections)	$60.00
12.1.2	Industrial and Commercial Wiring-Permits are not refundable nor transferable - includes mobile home parks	
12.1.2.1	Commercial and industrial building up to first $3,000, 1% or $10.00 for each additional $1,000 cost shall include all	

	labor, materials, equipment. Not for outside contracts nor in-house projects over $1,000 issued only to licensed electrician. Includes electrical, fire alarm or security work or other low voltage work, i.e. telephone, fiber optics.	
12.1.2.2	Services new or upgrade electrical:	
	100 amps	$50.00
	101 to 200 amps	$75.00
	201 to 400 amps	$125.00
	401 to 600 amps	$175.00
	601 to 1200 amps	$225.00
	1201 amps and over 100 amps	$25.00
	Each meter	$25.00
12.1.2.3	Transformer pads (2 inspections)	$50.00
12.1.2.4	Annual maintenance permits (1 year from date of issuance) Not for outside contracts nor in-house projects over $1,000 issued only to licensed electrician	$100.00
12.1.2.5	Sign each	$25.00
12.1.2.6	Minimum wiring fee	$25.00
12.1.2.7	Circus, carnival, trade show, etc.	$75.00
12.1.2.8	Trench inspections per	$25.00
12.1.2.9	Street lights and municipal boxes in new subdivisions (2 inspections)	$50.00
12.1.2.10	Traffic signals up to first $3,000	$50.00
	and for each additional $1,000	$10.00
	Trench inspection	$25.00
12.1.2.11	Reinspection fee - requires additional permit	$25.00
12.1.2.12	Permit renewal - permits expire new work 1 year, remodeling 6 months	$25.00
12.1.3	The required fee will be doubled if work is started and you do not obtain a permit within five (5) days, or if you do not have the consent of the electrical inspector. Such fee shall not effect the penalty prescribed by Mass. Electrical Code.	
12.2 -	Building Permit Fees	
12.2.1.1	New residential, including garages and decks -	per sq. ft. .25
12.2.1.2	Business	per sq. ft. .35
12.2.1.3	Factory & Industrial	per sq. ft. .30
12.2.1.4	Storage	per sq. ft. .20
12.2.1.5	Factory built homes	per sq. ft. .25
12.2.2	Residential	
12.2.2.1	Additions, alterations and repairs	$5.00 per $1000/first $5000 $3.00 per $1000/over $5000
12.2.2.2	Decks	min, $20.00
12.2.3	Accessory Structures	
12.2.3.1	Swimming pools-in ground	$50.00
12.2.3.2	Swimming pools-above ground	$20.00
12.2.3.3	Public pools up to $20,000	
$100.00		
12.2.3.4	Public pools over $20,000	$5.00 per $1,000
12.2.4	Business, Assembly & Institutional	$40.00
12.2.4.1	Additions for first $5000	$30.00
	each additional $1000	$ 6.00

12.2.4.3	Fences	$20.00
12.2.4.4	Demolition-residential	$20.00
	commercial	$50.00
12.2.4.5	Moving or relocations	$50.00
12.2.4.6	Re-roofing or re-siding residential per $1000	$10.00
	min.	$20.00
12.2.4.7	Commercial/Industrial per $1000 up to $10000	$25.00
	for every $1000 over $10000	$ 4.00
12.2.4.8	Signs and awnings	$20.00
12.2.4.9	Wood & Coal burning stoves	$20.00
12.2.4.10	Re-inspections-contractors	$15.00
	residential	$10.00
12.2.4.11	Fireplaces & chimneys per flue	$25.00
12.2.4.12	Mechanical-sprinkler & HVAC 1% of estimated value min	$25.00

12.3 - Gas Permit Fees

NOTE: 24 hour notice desired prior to inspection

12.3.1	Type of Installation	
12.3.1.1	Single Residence	$25.00
12.3.1.2	Apartments - each unit, plus fixtures	$25.00
12.3.1.3	Retail or Commercial - plus fixtures	$75.00
12.3.1.4	Industrial Building - plus fixtures	
$100.00		
12.3.2	Natural Gas Permits	
12.3.2.1	Gas Water Heater	$10.00
12.3.2.2	Gas Dryer	$10.00
12.3.2.3	Replacements & Alterations	$10.00
12.3.2.4	Conversion burners	$25.00
12.3.2.5	Gas Furnace or Boiler	$25.00
12.3.2.6	Roof Gas Heater	$10.00
12.3.2.7	Ranges & Gas Stove	$10.00
12.3.2.8	Floor furnace	$10.00
12.3.3	L.P. Gas Permits	
12.3.3.1	Tank Installation - each	$10.00
12.3.3.2	House Installation	$25.00
12.3.3.3	Trailer Installation	$15.00
12.3.3.4	Mobile Home	$25.00

12.4 - Plumbing Permit Fees

12.4.1	New or remodeling of building up to eight (8) fixtures	$50.00
	Multiple units-condominiums or apartments each unit	$20.00
12.4.2	Each additional fixture over eight (8)	$ 3.00
	Mobile Homes will be considered as single family unit. Water piping, disposals and dishwashers will be considered fixtures.	
12.4.3	Hot water tank replacement	$25.00
12.4.4	Roof drains (commercial or industrial)	$15.00
12.4.5	Town Sewerage	$30.00
12.4.6	Back flow Preventor	$25.00

Or, do or act in any manner relative thereto. (Sponsor: Building Inspector)

DATE OF ACTION: June 04, 1997

MEETING ACTION: Delete in its entirety the Town of Plainville By-law, Chapter 1, Section X11-Town Inspectors and replace with proposed amended Chapter V, Section XII of Town of Plainville Building By-law.

RESULT OF VOTE: 2/3 Vote: Yes: 66 No: 0 Unanimous as amended

ARTICLE 57: To see if the Town will vote to rescind the vote of Article 7, 1975, Article 23, 1979 and Article 37, 1985 which created/amended the present "Capital Expenditure Planning Committee" and vote to establish the following by-law as published below.

12.1 A committee to be known as the "Capital Expenditure Planning Committee" is hereby established under G.L. Ch 41, Sec. 106B, composed of one member or its designee from the Board of Selectmen appointed by it; one member or its designee of the Finance Committee appointed by it; one member or its designee of the School Committee appointed by it; one member or its designee of the Water Commission appointed by it; one member of the Board of Assessors or its designee appointed by it, and two At-Large members shall be a town officer or town employee. The Treasurer, Town Accountant and Town Administrator shall be ex-officio Committee members without voting rights. All members shall be appointed for one year terms, concurrent with the close of Town Meeting.

Any vacancy shall be filled for the unexpired term in the manner of the original appointment. The Committee shall choose its own officers. It may spend such sums as shall annually be appropriated for its use. A quorum shall be a majority of those appointed to office, excluding the Treasurer, Town Accountant and Town Administrator, and it shall have power to act.

The Town Clerk shall annually call the Committee together for organization by the last Thursday in July. Members of the Committee should be appointed by their respective boards by July 1st of each year.

12.2 The Committee shall study proposed capital projects and improvements involving major non-recurring tangible assets and projects which: 1) are purchased or undertaken at intervals of not less than five years; 2) have a useful life of at least five years; and 3) cost over $25,000. All officers, boards, committees, including the Selectmen and the School Committee, each year, give to the Committee, on forms prepared by it, information concerning all anticipated projects requiring Town Meeting action during the ensuing six years. The Committee shall consider the relative need, impact, timing and cost of these expenditures and the effect each will have on the financial position of the town. No appropriation shall be voted for a capital improvement requested by a department, board or commission unless the proposed capital improvement is considered in the Committee's report, or the Committee shall first have submitted a report to the Finance Committee explaining the omission.

12.3 The Committee shall prepare an annual report recommending a Capital Improvement Budget for the next fiscal year, and a Capital Improvement Program including recommended capital improvements for the following five fiscal years. The report shall be submitted to the Finance committee for its consideration.

The Finance Committee shall submit its approved Capital Budget to the Annual Town meeting for adoption by the town.

12.4 The Committee's report shall be published and distributed along with the Finance Committee recommendation. The Committee shall deposit its original report with the Town Clerk.

Or, do or act in any manner relative thereto. (Sponsor: Capital Planning By-Law Study Committee)

DATE OF ACTION: June 04, 1997

MEETING ACTION: Rescind the vote of Article 7, 1975, Article 23, 1979 and Article 37, 1985 which created/amended the present "Capital Expenditure Planning Committee" and to establish by-law as amended.

RESULT OF VOTE: 2/3 Vote: Yes: 71 No: 1 Motion carried as amended

And you are directed to serve this Warrant by posting copies thereof in six (6) public places, in said Town, Fourteen (14) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as foresaid.

Given under our hands this 12th day of May, in the year of our Lord one thousand nine hundred and ninety-seven.

Attention: By-Laws

I hereby certify that the following is a true copy of the action taken on article 13 at the Annual Town Meeting of June 2, adjourned to June 4, 1997 held at the Beatrice Wood Elementary School, South Street, Plainville, Norfolk County, Massachusetts at 7:30 P.M. A quorum was present at all sessions.

Kathleen M. Sandland
Town Clerk

VOTE - June 4, 1997

ARTICLE 13: Motion by Gregory L. Kiff, Sr, seconded by Andrea Soucy--The Town Clerk recommends and I so move that the town vote to amend the Town of Plainville By-laws, Chapter I, Section XXIV-Animal Control, Subsection 24.3, in the last paragraph, by changing the time stated therein from 60 days to 90 days, such that the amended paragraph would read as follows:

Whoever violates the provisions of this by-law subsection (24.3), or fails to license their dog later than 90 days after a license period commences, shall be subject to a fine of $25 dollars.

(article 57 with amendment)

KATHLEEN M. SANDLAND
695-3010

June 26, 1997

Attorney General Scott Harshbarger
One Ashburton Place, Room 2019
Boston, Massachusetts 02108
Attention: By-Laws

I hereby certify that the following is a true copy of the action taken on article 57 at the Annual Town Meeting of June 2, adjourned to June 4, 1997 held at the Beatrice Wood Elementary School, South Street, Plainville, Norfolk County, Massachusetts at 7:30 P.M. A quorum was present at all sessions.

Kathleen M. Sandland
Town Clerk

VOTE - June 4, 1997

ARTICLE 57: Motion by Robert Rose, seconded by Edwin Harrop--The Finance Committee recommends and I so move the Town vote to rescind the vote of Article 7, 1975, Article 23, 1979, and Article 37, 1985 which created/amended the present "Capital Expenditure Planning Committee: and vote to establish the following by-law as it appears in the Warrant and request the reading of the entire article be waived.

Warrant Article 57

ARTICLE 57: To see if the Town will vote to rescind the vote of Article 7, 1975, Article 23, 1979 and Article 37, 1985 which created/amended the present "Capital Expenditure Planning Committee" and vote to establish the following by-law as published below.

12.1 A committee to be known as the "Capital Expenditure Planning Committee" is hereby established under G.L. Ch 41, Sec. 106B, composed of one member or its designee from the Board of Selectmen appointed by it; one member or its designee of the Finance Committee appointed by it; one member or its designee of the School Committee appointed by it; one member or its designee of the Water Commission appointed by it; one member of the Board of Assessors or its designee appointed by it, and two At-Large members shall be a town officer or town employee. The Treasurer, Town Accountant and Town Administrator shall be ex-officio Committee members without voting rights.

QA4\STAGEN\97-57

All members shall be appointed for one year terms, concurrent with the close of Town Meeting.

Any vacancy shall be filled for the unexpired term in the manner of the original appointment. The Committee shall choose its own officers. It may spend such sums as shall annually be appropriated for its use. A quorum shall be a majority of those appointed to office, excluding the Treasurer, Town Accountant and Town Administrator, and it shall have power to act.

The Town Clerk shall annually call the Committee together for organization by the last Thursday in July. Members of the Committee should be appointed by their respective boards by July 1st of each year.

12.2 The Committee shall study proposed capital projects and improvements involving major non-recurring tangible assets and projects which: 1) are purchased or undertaken at intervals of not less than five years; 2) have a useful life of at least five years; and 3) cost over $25,000. All officers, boards, committees, including the Selectmen and the School Committee, each year, give to the Committee, on forms prepared by it, information concerning all anticipated projects requiring Town Meeting action during the ensuing six years. The Committee shall consider the relative need, impact, timing and cost of these expenditures and the effect each will have on the financial position of the town. No appropriation shall be voted for a capital improvement requested by a department, board or commission unless the proposed capital improvement is considered in the Committee's report, or the Committee shall first have submitted a report to the Finance Committee explaining the omission.

12.3 The Committee shall prepare an annual report recommending a Capital Improvement Budget for the next fiscal year, and a Capital Improvement Program including recommended capital improvements for the following five fiscal years. The report shall be submitted to the Finance committee for its consideration.
The Finance Committee shall submit its approved Capital Budget to the Annual Town meeting for adoption by the town.

12.4 The Committee's report shall be published and distributed along with the Finance Committee recommendation. The Committee shall deposit its original report with the Town Clerk.

Or, do or act in any manner relative thereto. (Sponsor: Capital Planning By-Law Study Committee)

Motion by Robert Rose, seconded by Eugene Alsworth--to amend article 57, "and two at-large members shall be" to "and two at-large members who shall not be".

UNANIMOUS

Motion by Kathleen Parker, seconded by Edwin Harrop--to amend the motion on the floor by inserting on line seven of 12.1 after the word town employee, "and shall be appointed by the five (5) sitting members from applications requested by the Board of Selectmen at a public meeting in June of each year".

Annual Report

of the

School Committee

of

Plainville, Massachusetts

For the Year Ending

June 30, 1997

REPORT OF THE SCHOOL COMMITTEE

The results of the annual elections of April 7, 1997 saw Mr. Larry Cochrane of 441A South Street reelected to his second three-year term to the Plainville School Committee and Dr. Douglas Levin of 39 Mirimichi Street elected to his first three-year term. Prior to the election, Mr. Michael Moen of 3 Carleton Road ended his three-year term prior to the April election, having made a tremendous contribution to the community during his entire term. Mr. Moen served as an excellent resource in the area of technology, was an integral part of the Committee's transition under the Education Reform Act and brought a fresh perspective to all committee business.

Mr. Patrick Francomano was elected Chairman, Voting Delegate to the Massachusetts Association of School Committees and Representative to the Sick Leave Bank Committee and the Negotiations Sub-Committee. Mr. Cochrane was elected to serve as the Local Representative to the King Philip School Committee and the Negotiations Sub-Committee. Mr. Eric Ennes was elected Vice-Chairman and Finance Sub-Committee member and Sick Leave Bank Committee member. Dr. Levin was elected to serve on the Finance Sub-Committee. Mrs. Laurie Lumnah was elected Alternate Voting Delegate to the Massachusetts Association of School Committees and Representative to the Space Needs Committee.

The Committee successfully negotiated three-year collective bargaining agreements with both the Custodial Union and the Secretarial Union which called for annual salary increases of 2.5%, 3% and 3%.

The Committee and the Plainville Educators Association negotiated an agreement which established professional teacher standards and put into place criteria for the evaluation of teachers. The Committee began but was unable to conclude negotiations on a new collective bargaining agreement with the Plainville Educators Association before June 30, 1997.

In response to the extensive work of the Space Needs Committee, driven by growing enrollments, the Committee requested that Plainville's Permanent Building Committee pursue the purchase of four portable classrooms for a short term solution and the funding of a feasibility study to address the long term needs of the district. The Town's positive response to these requests put us in an excellent position to move forward and meet the demands of tomorrow.

The Committee continued to emphasize the need to coordinate curriculum with the other King Philip Districts, use standardized testing and other tools to measure our students preparedness for secondary education and to aggressively adapt our education program to the demands of the developing curriculum frameworks under the Education Reform Act.

The Committee adopted a Statement of Missions, Beliefs and Values, which is attached to this report.

The Committee used a combination of grant money and funding secured at Town Meeting to make emergency repairs to the Wood School gymnasium wall, which had serious structural problems.

In the area of technology, the Committee approved the District's five year Technology Plan as proposed by the Technology Committee and obtained town meeting financial support to begin implementing the plan. In addition to provisions for hardware, software and training additional funding was allocated to the position of Technology Coordinator.

The Committee would like to thank the Plainville community for its continuing support of education in our town. In addition, we wish to express our gratitude and admiration for the extensive hard work and dedication of the staff and administration as well as the tremendous efforts of the School Council, PTO, Technology Committee, the Space Needs Committee and all the parent and community volunteers who strengthen our educational program and foster a positive environment for learning and development.

Respectfully submitted,

Patrick Francomano
Chairman
Plainville School Committee

PLAINVILLE PUBLIC SCHOOLS

MISSION STATEMENT

The mission of the Plainville Schools, in preparing students to become responsible and contributing members of a changing society, is to provide a challenging and rigorous educational program which motivates and enables each student to develop intellectually, physically, socially, and emotionally in an atmosphere which nurtures creative and critical thinking, the development of values, and lifelong learning.

PLAINVILLE PUBLIC SCHOOLS

BELIEFS

In support of our mission, we are committed to the following beliefs:

Excellence in instruction and student achievement is our primary objective.

All students should acquire, and use wisely, a basic core of knowledge in an environment that promotes higher level thinking skills across the curriculum.

Teaching students to become life-long learners is essential in preparing them for a changing society.

Each student possesses unique talents and gifts and should be encouraged to reach his maximum individual potential.

All students should be encouraged to attain high standards of achievement.

Parents, in partnership with schools, are an integral part of their child's learning.

Students should be able to communicate effectively through reading, writing, speaking, computing, the arts, and technology.

PLAINVILLE PUBLIC SCHOOLS

BELIEFS
(cont.)

All students should acquire the knowledge, skill, and motivation necessary to achieve and maintain lifelong fitness.

Students should develop a sense of self-discipline, self-respect, self-reliance and demonstrate social and civic responsibility.

Student learning is promoted through a safe and orderly environment, free of prejudice, drugs, violence, and harassment.

Ongoing opportunities for the professional growth and development of staff are essential for continued school growth and improvement.

Community involvement should be actively solicited, encouraged, and developed.

All students should understand, respect and appreciate the racial, ethnic, and cultural diversity of our society and the democratic principles upon which this nation was built.

PLAINVILLE PUBLIC SCHOOLS

VALUES

The Plainville Public School System recognizes its shared responsibility with parents in developing students' values. This shared responsibility includes educating the whole child and working toward developing a good and informed citizenry.

In support of the above, the Plainville School Committee affirms the following values as an integral part of students' overall education.

RESPECT	COOPERATION	HONESTY
CITIZENSHIP	RESPONSIBILITY	FAIRNESS
COURTESY	COMPASSION	TOLERANCE
COURAGE	WORK ETHIC	KINDNESS
INTEGRITY	PERSEVERANCE	LOYALTY

REPORT OF THE SUPERINTENDENT OF SCHOOLS

July 1, 1996 marks the completion of my first year in the Plainville Public Schools as Superintendent. I would like to thank staff, parents, and students for making my transition to Plainville successful. Our theme for the year was "We Can Do It" and we accomplished our goals despite starting the year with severe budget restrictions.

In July 1996 Steven K. Kaplan was appointed as Coordinator of Special Education following the recommendations of three finalists by the Coordinator Screening Committee comprised of three parents, two teachers, and chaired by the School Principal.

Curriculum Frameworks Teams, with the help of a state grant, worked in district as a follow up to last year's regional teams. The teams reviewed the State Curriculum Frameworks and matched the frameworks with our current curriculum. They made recommendations to be followed up by the Curriculum Committee during the 1997-98 school year.

Our staff continued work on Project PALMS (Partnership for the Advancement of Learning Math and Science). With the help of a state grant workshops were held to train staff in these areas. We also received an Eisenhower State Grant for math and science, which also was used for staff development. Grants were also received in Health Protection, which were partially used for hiring a nurse's assistant to support the school nurse because of increasing enrollment. The Health Protection Grant also allowed the system to develop a pilot program in providing a certified health instructor to provide lessons to students. A Safe and Drug Free school grant helped provide training for students and staff in the areas of substance abuse and resisting peer pressure. Our Title I Grant for this year was re-written and helped provide more services to our students by creating two Chapter I Tutors to service our students in need of help primarily in the area of reading and language arts and also in math.

November 1997 marked the completion of an in-depth Space Needs Assessment Report completed by the Space Needs Study Committee formed under my direction in the spring of 1996. The results of this study were presented to the School Committee, Selectmen, and Finance Committee. This report provided the impetus of the resurgence of the Town Building Committee, which in the spring of 1997 started meeting to develop space needs solutions for the school system. A feasibility study was approved by Town Meeting in the spring of 1997 to hire an architecal firm to come up with alternatives to the schools' space needs problem. Strekalovsky & Hoit was hired by the Building Committee to perform this study with a report due in the fall of 1997.

As part of the professional development program for staff, required under Educational Reform, the entire school staff spent a workshop day at the Computer Museum in Boston to learn about the use of the Internet. This type of professional development was outlined in the Technology Plan. The Technology Plan had previously

been submitted, and approved by the State. This plan will make the school system eligible for state grants in future years and was the result of the diligent, hard work of the Technology Task Force Advisory Board formed in the spring of 1996.

For the 1996/97 school year Plainville Public Schools received a $72,000 Foundation Reserve Grant from the state. This was used to fund the Wood School Wall Engineering Study, curriculum materials, Wood School computer lab, and as a budgetary supplement. A Town Meeting capital article funded the rest of the computer lab at Wood school.

A Jackson School sign, complete with a new school logo designed by one of our students, was erected on the front lawn thanks to the PTO. It helps show the spirit of cooperation between staff, parents, and students.

A new sexual harassment policy was adopted in November of 1996. This policy is for the school system and has been reproduced in the student handbook for all to follow.

The 1996-97 school year was a busy year, but it also helped lay the foundation for future space needs, and curriculum and technology development to take place over the next several years.

Respectfully submitted,

Michael F. Malone
Superintendent of Schools

ANNUAL REPORT

OF THE

KING PHILIP REGIONAL SCHOOL

DISTRICT

FOR THE YEAR ENDING JUNE 30, 1997

KING PHILIP REGIONAL SCHOOL DISTRICT
SUPERINTENDENT'S REPORT

It is with a great deal of pleasure that I submit this report. This has been an important year for the King Philip Regional School District as we continue to try and provide a quality education for our children. Our staff, including teachers, administrators, secretaries, custodians, and support personnel, commit themselves, daily, to excellence in education. Our student population continues to rise and now totals 1,557. As enrollments rise, our greatest challenge is to provide the students with the space, staff, and materials necessary to maintain our current level of education. Projected enrollments reflect a 26% increase over the next five years. Keeping class size reasonable continues to be a top priority for parents, teachers, and the administration.

With limited resources and increasing enrollments, the budget continues to be our greatest concern. Since the Education Reform Act of 1993, it appears to me that the district is receiving a disproportionately low share of state funding. There is a new education funding formula currently being developed with the League of Women Voters and should this pass, the district would receive a substantial increase in state funds. Without increased funding from either state aid, increased taxes or overrides, rising enrollments will make providing quality education very difficult. To this end, we continue to review and update long range forecasts of enrollment. There is a School Facilities Review Committee to assess the impact of these enrollments in terms of both space and maintenance.

We will continue to work, closely, with the three towns to articulate our needs and to attempt to balance those needs with those of the three communities. As we are all aware, the vitality and reputation of the three towns directly correlates with the quality of the public school system.

In closing, I would like to take this opportunity to express my sincere appreciation to the teachers, support staff, administrators, school committee members, parents, and the community, for their dedication to the well being of young people. I believe the challenges that the district faces will bring opportunities never imagined. With the support and encouragement of the entire community, the district will forge ahead to continually improve a school system with an already outstanding reputation.

On a more personal note, I would like to wish Dr. Perry Davis success in his new position as Superintendent of the Dover/Sherborn School District and I would like to thank everyone for the tremendous support and encouragement I have received as your Interim Superintendent.

Sincerely,

Thomas M. Reis
Interim Superintendent of Schools

KING PHILIP-NORTH

The King Philip-North School Council is to be commended for their efforts in addressing the following: Professional development; Review of the FY98 budget; Time on Learning strategies; Development of a new attendance/tardy policy; Review and update of the student/parent handbook.

Special thanks to Officers Steve Plympton, Norfolk Police Department, Jim Rocket, Plainville Police Department, and Jeff Smith, Wrentham Police Department, for their continued efforts to promote drug free schools through their presentation of the D.A.R.E. Program to our eighth graders.

The addition of a French teacher to our Unified Arts Program has afforded our students the opportunity to get an exposure to both the Spanish and French languages.

Special thanks to KP-North science teachers, Nancy Kovar, Fred Murtari, Larry Tingley, and Alan Harris for their outstanding efforts in revising our seventh grade science curriculum this past summer.

Inclusion of special needs students with our regular school programs continues to develop through training of both special needs and regular staff members in a co-teaching model.

During the first state sponsored "Net Day", our school received tremendous support from parents and staff to begin the process of "wiring" all of our classrooms to afford our students access to the World Wide Web. Very special thanks and appreciation for the fine efforts from: Gordon Woodhams, Bob Calkins, Kevin Gleason, Henry Brawley, Paul Spencer, Bruce Khounborinh, Algot Runeman, Steve Myette, Rich Klokman, Larry Tingley, Ron Marino, and Perry Davis.

ANNUAL REPORT

OF THE

TRI-COUNTY REGIONAL SCHOOL

DISTRICT

FOR THE YEAR ENDING JUNE 30, 1997

TRI-COUNTY REGIONAL VOCATIONAL TECHNICAL SCHOOL DISTRICT
ANNUAL REPORT 1997

In July 1997 the School Committee reorganized and elected the following officers: Alan Lovely (Plainville) Chairman, Robert Heavey (Medway) Vice-Chairman, and Mark LaScola (North Attleboro) Secretary.

The School Committee conducts its regularly scheduled meetings on the third Wednesday of each month at 7:30 P.M. in the Committee Meeting Room at the school. Sub-committee meetings are scheduled as needed.

Graduation:

On June 15, 1997, 156 students were graduated in an impressive afternoon ceremony. Victor Knust Graichen, Chairman of the Tri-County School Committee, delivered the welcoming address to more than one thousand guests. Music was provided by the North Attleboro High School Band.

Camilla Huston, Director of Pupil Personnel Services, presented scholarships and awards totaling more than $200,000 to deserving seniors.

Pupil Personnel Services:

In September 1996, Tri-County welcomed approximately 794 students to the new school year. The district towns and number of students are Plainville 60, North Attleboro 182, Norfolk 34, Millis 28, Medway 58, Franklin 164, Medfield 25, Seekonk 68, Sherborn 6, Walpole 69 and Wrentham 60. Also 40 students were accepted from out-of-district areas.

The Pupil Personnel Department continued its evening programs for 96-97. The Guidance Department continued its Peer Helpers program to assist with school adjustment and to introduce Tri-County to junior high students in the community. The department continued its programs on preparing for college with the assistance of Dean College Financial Aid Administrators and Admissions Counselors. Tri-County hosted two Career Days for Grade 8 students and held evening Open Houses for parents.

Tri-County has established itself as a leader in the Tech Prep System. This concept has been referred to by National Business and Educational Leaders as one of the most exciting initiatives in education. The primary function of the Tech Prep program is the combined secondary/post-secondary program that is being offered to Tri-County students with Massachusetts Bay Community College, Wentworth Institute of Technology, Northeastern University, Dean College, Middlesex Community College, Aquinas College and Massasoit Community College. Students involved in the Tech Prep program must complete an established level of academics and technical competencies. Student upon completion of their high school work will be awarded credits according to the articulated agreement. Last year we developed an individual agreement with the Electrical Department of the New England Technical Institute.

Tri-County along with the Franklin Area Chamber of Commerce serves as the co-chairs of the Tri-County School-to-Career Partnership. This partnership will share in over $762,000 over three years to serve the career education needs of all area students.

Academics:

The Education Reform Act of 1993 has mandated change, improvement, and a raising of standards for all public schools in Massachusetts. To that end, Tri-County has embraced a national vocational initiative, High Schools That Work, as its procedural vehicle for effecting such goals. As we enter academic year 1997-98, the third year of participation in this program, we already see positive results and continue to strive for even higher standards.

This year we have completely rewritten each course curriculum to allow for consistency within the respective disciplines to reflect our new course sequencing and to match the State Curriculum Frameworks. It is our belief that these revisions will better prepare our students for the worlds of works and continuing education and will result in proficient results on the Massachusetts Comprehensive Assessment Systems (MCAS) tests. We are already enheartened in this regard by our positive performance on this year's IOWA tests.

As we raise our standards and challenge students to perform at higher levels, we need to remember to increase our support to them. This year's Summer Academy is such an effort. Its purpose is to provide invited students an opportunity to fill in missing shells in the areas of Math, Reading or Writing so that they could better succeed in the next academic year. More initiatives will follow.

Vocational-Technical Programs:

The vocational programs have made every effort to simulate real work experience by providing service to the district's town agencies, civil organizations, and residents. The Auto Repair, Auto Body and Metal Trade Departments are fully scheduled for customer work at all times. Work is accepted from district residents if such work coincides with the instructional curriculum. The Auto Repair Program has received A.S.E. Master Certification from the National Automotive Technician Education Foundation.

The Child Care Program provides a creative agenda that foster the wholesome development of the pre-schoolers in a variety of early childhood settings. High school students work with these youngsters learning first hand the various theories and practices of child development.

Cosmetology is a program that provides skill in a variety of beauty services, such as hair, scalp, skin and nails. The program prepares the student for the State License in hairdressing. The Clinic is open to the public during the school year.

The Culinary Arts shop continues to attract many local patrons to their student-run restaurant (Gerry's Place) and bake shop. Many senior citizen groups from the community visit Tri-County to sample the delicious meals and baked goods that are prepared by the high school students.

Desktop Publishing instructs students in the use of the latest software applications utilized in the Graphic Design Industry. Students create and execute various visuals used in advertising such as: book, package, newsletter and promotional design.

The Electronics Technology Program prepares students for entry-level positions in electronics and computer technology. This area of study is concerned with the principles of operation, design, and fabrication of various electronics hardware. Students who complete the program will possess basic skills in DC, AC, digital, solid state, CAD, and logical troubleshooting techniques. Upon graduation, students will be qualified for various positions such as electronics assembler, electronics technician, test technician, computer and engineering assistant.

Marketing/computer Information Systems includes banking, retailing and computer skills for students who have selected this vocational program. Students master skills in computerized accounting, data base management, word processing and spreadsheet analysis. Students learn on up-to-date software such as Microsoft Office 97 and Lotus Smart/Suite.

The Medical Careers Program continues to grow and is now currently affiliated with three area nursing homes (Medfield, Franklin and Wrentham) and two hospitals where students can apply skills on patient care and recreational activities.

The Welding/Metal Trades Program has received National Certification from the American Welding Society.

The Plumbing and Electrical Programs allow students to acquire technical skills while accruing state-mandated hours in both practical and theory applications. Once completed, these students will be prepared to take the state journeyman examination in their respective trade areas.

The Heating, Ventilating and Air Conditioning program provides students with proper instruction relative to the recovery and recycling of refrigerants. EPA government regulations require that HVAC standards remain at the cutting edge of technology.

The Carpentry Program allows students to become familiar with both rough and finish construction. As students complete this program, they are well on their way to securing construction supervisor licenses.

Our construction programs have been very busy during this year with the building of a Senior Center in the Town of Wrentham.

Continuing Education:

The Continuing Education Program offers an Adult Cosmetology Program during the day. This is a separate program that provides 1000 hours of instruction. The program runs from September to May and follows the high school calendar. Registration for this program takes place at the end of May each year. The Evening School Division enrolled approximately 600 students for the 1996-97 school year. Registration for the Evening Division takes place in September for the Fall Semester and in January for the Winter Session. New programs for the

97-98 school year include Parenting Your Young Child, International Cooking, Baking (Breads) and Esthetics.

Athletics:

The Athletic Program had a very successful year with strong performances by all the teams. The Fall Season saw the Soccer Team make it to the 2nd round of state tournament, while the Cross Country Team finished 2nd in the league. Football and Volleyball had fine performances with all teams being well represented on All-Star Teams.

The Winter Season had five basketball teams filling the gym with the Boy's Varsity Team competing in the State Tournament. The Wrestling Team had several athletes compete in the All State Wrestling Tournament. The Cheerleading Squad continued to cheer on all the teams and performed well at several competitions.

The Spring Season had two teams play in the State Tournament, as Baseball and Softball both finished in the top of their division. Track & Field had some great performances by the team and individuals.

Intramurals continues to grow with Floor Hockey, Weightlifting, Basketball and Golf.

Student Activities:

The Vocational Industrial Clubs of America (VICA) is of continued interest to students with great success at the local, state and national competitions. In the area of fundraising, VICA once again sponsored numerous events, including a Breakfast with Santa and Breakfast with the Easter Bunny.

The Distributive Education Clubs of America attended the North Atlantic Regional Conference. At this conference students had an opportunity to meet other students from the Northeast and participate in various seminars and workshops.

The National Honor Society sponsors and promotes many of the school's community service activities, both on and off campus. This group coordinated and hosted National Student Leadership Week events, as well as the school-wide Honors Night ceremonies in June.

Summary:

As we continue to provide for the educational needs of our students, we wish to thank the District residents for their support and cooperation. We intend to maintain in the future the high educational standard that has earned Tri-County that support in the past.

ASSESSORS OFFICE

P.O. BOX 1717
PLAINVILLE, MASSACHUSETTS 02762

REPORT OF THE BOARD ASSESSORS
JULY 1, 1996 TO JUNE 30, 1997

We hereby submit the annual report of the Board of Assessors for fiscal year 1997. It includes a required breakdown of the town's value of assessed property for FY97 by property types as normally reported. This year we have also supplemented the report with statistical municipal financial information as well as an age/land use classification to augment the character of Plainville.

The information provided indicates that Plainville is heavily forested and much of this land is dedicated to conservation through both municipal and private land conservation authorities. The town experienced an expansion of single family homes throughout the 1980's, and that has subsided during the 1990's.

At the close of the fiscal year, Plainville as a community maintained its rural nature.

The Board of Assessors during FY97 had a very active year. Weekly posted meetings were held from 7:00 PM - 9:00 PM except on holidays. In addition to recommending and the Board of Selectmen voting to use a single tax rate of $14.62 for FY97, it was a revaluation year, which included the implementation of a new computer based data system.

RESPECTFULLY SUBMITTED,

Stanley J. Nacewicz, Chairman

Richard R. Follett

Patricia Stewart

Plainville Fire Department

To the Honorable Board of Selectmen

I hereby submit the annual report of the Fire Department for the period from July 1, 1996 to June 30, 1997. It includes a breakdown of the Town's annual appropriation showing all expenditures for the fiscal year. Also, the report shows total year incidents responded to by the department.

Again this year we experienced real progress in the department by employing one new paramedic. This now gives us three full-time paramedics. Also another full-time member is attending paramedic school and will be graduating in December of 1998.

This years Fire Prevention Program was presented to the local school systems throughout the year. We also received a Student Awareness Fire Education (S.A.F.E.) Program grant from the State. The program is a fire prevention education program designed to equip elementary, intermediate and high school students with skills for recognizing the dangers of fire, specifically the hazards of smoking-related materials pose. The program utilizes specially trained firefighters to fire and safety education. All the firefighters are trained emergency medical technicians who have seen the catastrophic health effects of smoking induced illnesses. The grant money was used to purchase education supplies and pay the salaries of the instructors.

I wish to thank all the members of the fire department, the Board of Selectmen, all other board members, and all employees of the town for their help and cooperation during the past year.

FIRE DEPARTMENT INCIDENTS – 1997

Fire Related	985
Ambulance Related	564
Inspections	575

The total incidents count indicates that the department responded to an average of 5.82 incidents per day.

TEL: (508) 695-7115
FAX: (508) 643-0227

To The Honorable Board of Selectmen

I respectfully submit the Annual Report of the Plainville Police and Communications Departments for the period July 1, 1996 through June 30, 1997.

I. FINANCIAL

A. Budget – The following reflects the financial condition of the Police and Communications Departments as of June 30, 1997:

DEPARTMENT	ACCOUNT	APPROPRIATION	EXPENDED	BALANCE
Police	Salary	$ 661,488.00	$ 631,538.92	$ 31,749.08
Police	Expense	$ 76,000.00	$ 73,101.71	$ 2,898.29
Communications	Salary	$ 133,590.00	$ 125,402.80	$ 8,186.20
Communications	Expense	$ 15,950.00	$ 15,247.89	$ 702.11

B. Grants – During the period of FY97, we again received grants from both the Federal and State Governments. In addition we received two Norfolk County grants for the DARE program and several gifts from local residents and businesses.

GRANT	SOURCE	AMOUNT	MATCH	PURPOSE
COPS-FAST (2nd Yr)	Federal – DOJ	$ 25,000.00	$ 6,695.00	Fund 1 police officer position
COPS- Universal Hire	Federal – DOJ	$ 9,027.00	$ 2,250.00	Fund 1 part time position
COPS- More 96	Federal – DOJ	$ 35,000.00	$ 7,000.00	Purchase & install Computer-aided dispatch system
State D.A.R.E.	State - EOPS	$ 9,700.00	- 0 -	Ongoing program to fund DARE activities
Community Policing	State - EOPS	$ 6,500.00	- 0 -	Ongoing program to fund Community Policing activities
Bryne Grant	State / Federal	$ 7,000.00	$ 1,750.00	Replace LEAPS/CJIS Computer
Block Grant	State - EOPS	$ 2,500.00	$ 250.00	Replace Mobile radio components
Public Safety	State	$ 476.00	- 0 -	Ongoing program to provide bullet proof vests
Highway Safety	State	$ 1,524,72		J-Step Program
D.A.R.E.	Norfolk Sheriff	$ 1,000.00	- 0 -	Provide training for DARE Officer
D.A.R.E. Summer Camp	Norfolk DA	$ 5,000.00	- 0 -	Assist in funding DARE Summer Camp with Wrentham & Norfolk
TOTALS		**$ 102,727.72**	**$ 17,945.00**	

II. ACTIVITY

FY97 saw total calls for service at 9,096. This is a dramatic increase from last year's figure of 5,680 and is due in large part to increased, more accurate reporting. We continue to improve on our reporting of crime stats to both the State & Federal Government. It is required for eligibility for grants and places Plainville in a position to measure our effectiveness against other jurisdictions with similar demographics. Generally, Plainville's crime rate, like the rest of the nation is down. Our crime rate shows a net Increase of 30% but that number is skewered by a 100% increase in Robberies (from none to 1) Exclusive of that, we experienced a net decrease in crime of nearly 70%. Our clearance rate indicates a 43% rate but that is skewered by a 100% clearance rate for Assaults. Exclusive of that our rate is 28.75%, still better than the national average

INCIDENTS	REPORTED	Value	# Cleared	Value	Clearance Rate (%)	1996	Percent Change
Robbery	1	$ 105,340	0	$ 28,000	0 %	0	+100%
Assault	30		30		100%	55	- 45%
Burglary (B&E)	32		9		28%	35	- 08%
Larceny	67		25		37%	94	- 29%
MV Theft	8	$ 114,000	4	$ 104,000	50%	7	+ 12%
911 Calls	1,487					1,479	

The total number of arrests/custody that were effected has increased from 115 in FY96 to 150 in FY97; a 23% increase. 30 of those arrests were for domestic violence which indicates that we still have some work to do.

III. TRAINING

To stay current, we continue to provide this mainstay for an effective law enforcement agency. In addition to the 40 hours per officer of in-service training an increase in specialized training in the areas of investigation, arson, domestic violence and the operation of the PAMET computer aided dispatch program was provided. Total of hours provided for full time officers was 960. Part time officers received 120 hours of in-service and specialized training.

IV. ACCOMPLISHMENTS

a. Computer Aided Dispatch System. Our long awaited system was finally installed and implemented during the second half of the fiscal year. Our system, awarded to PAMET Systems, Inc of Action is one of 86 similar systems in the Commonwealth. It has proven to be a real boon to our record keep efforts and improvements are seen almost daily. Every officer and dispatcher has received hands-on training in the system and I believe we have successfully passed the "learning curve". To our credit, we have been "live" after only 30 days of training time. Most agencies spend up to a year in training status. Special accolades go to Officer Greg Kiff and Dispatch Supervisor Bruce Barton who serve as System Managers for making our transition a success.

b. Building Improvements – We continue to make improvements to our Public Safety facility, using inmate labor from Pondville Correctional Institute. This years efforts focused on the fire side of the building with new flooring, ceiling tiles and fresh paint for the entire area including the apparatus bay. We also made some much needed improvements to the exterior of the building with lighting and restoring the landscape of the area around the bell and flagpole. Based upon the favorable comments we've received, the townspeople seem pleased.

c. Bicycle Patrols – Due to the overwhelming support of this program, we have increased the number and scope of these patrols. State and Federal grants have enabled us to add a second bike, train and equip additional officers and place them out on patrol more often at more locations. They have also become a fixture at all town-wide events.

IV. ACTIVITIES (cont)

d. Citizen Police Academy – In concert with Wrentham and Norfolk, we conducted our first Citizen Police Academy. We had a full class of enthusiastic residents from the three communities who gained some terrific insight as to how the criminal justice system works and why. Despite several advertisements and announcements, however, the participation by Plainville residents was somewhat less than expected.

V. OUTLOOK

There seems no task to large or complicated for the men and women serving in our public safety agencies. They have taken extremely well to the addition of new technology that will enhance our effectiveness and eagerly await the next challenge. To witness the implementation of the PAMET system was truly rewarding. It meant wholesale change in the way business was done and they all exceeded my wildest expectations. They not only succeeded, but did so in record time.

While the members of the police and communications readily accept change and improvements, they also continue to work in some cases with aging equipment and limited space with a minimum of complaint. As indicated last year, the radio system is in dire need of replacement. The more we place our officers outside of their cruisers into the neighborhoods and public areas, the more we feel the limitations of that system. The building that I believe we have brought to a point of real pride in the community still exhibits serious space limitations. Basic needs go un-serviced as both men and women share a single locker room and one shower must serve all. Booking prisoners and report writing must be conducted in the same room and storage is virtually non-existent. To their credit all the members of the town's public safety departments (police, fire & communications) work in this environment without complaint. Preliminary needs assessments have been done and the limitations have been identified. We will continue to make do with what we have but steps must be taken to alleviate the space problems.

The department continues to do the best it can to serve the needs of the community. In the coming months we will be distributing a Citizen Survey to assess the needs, wants and fears of the community. The survey is being designed with input from all areas of the department. In addition, we will be taking steps in concert with the Board of Selectmen and other agencies to address many concerns regarding traffic on South Street.

The residents of Plainville have a great source of pride in their public safety employees. As a long time police officer and therefore a consummate skeptic, I continue to be amazed at the work ethic demonstrated by these professionals. As a tax-paying resident of this town, I believe our public safety dollars are well spent.

Respectfully submitted,

Edward M. Merrick, Jr
Chief of Police

Plainville Public Library

The Fiscal Year 97 Town Report for the Plainville Public Library

The Plainville Public Library has become an essential resource for books, videos, CD's and reference services for both children and adults. The trustees and the staff of the Plainville Public Library remain committed to respond to the growing number of patron's requests by providing an adequate supply of new materials, improved services and up-to-date computer resources. The following table shows the number of items the Plainville Public Library owns. This table does not include the innumerable items our patrons have access to through the interlibrary loan arrangement within the ABLE member system.

Table 1: Collection Statistics

	Adult	Juvenile	Total
Volumes of books	11,825	9,629	21,254
Videos	573	313	886
CD's	188	0	188
Electronic format	12	44	56
Newspapers	6	0	6
Audios	254	196	450
Periodicals	82	13	95
Museum passes	----	----	6
MISC.(Kits, Puzzles, Puppets)		111	111
			23,052

Over 3,450 people have Plainville library cards, an increase of 2.5% from last year. In Fiscal Year 97 the number of titles circulated increased 12% from the previous year to 57,522 items. Our staff has handled over 2,500 reference questions. Everything from "Do you have tax forms?" to "Is coral an animal?" to "What is the latest book from...?." As access to electronic media increases, with the addition of the IAC searchbank from the Massachusetts Library Information Network via ABLE, our ability to find the desired information also increases.

A total of 135 children's programs were offered, including those in the statewide *Catch the Summer Spark* Summer Reading Program. Over 2,500 children and adults enjoyed these programs. Just a few were: Storytime, an American Girls Party, a Goosebumps party, the Teddy Bear's Picnic and the Baby-sitting Workshop. Adult programs included the Friends of the Library meetings and the monthly Book Discussion Group which were attended by 150 people.

The Friends of the Plainville Library provided one adult and three children's programs as well as purchases 8 magazine subscriptions and passes for the Capron Park Zoo, Museum of Fine Arts, Roger Williams Zoo and Plimouth Plantation.

While all these good things were going on, the Library did see a few familiar faces leave this past year: Tricia Svenson, Anne Robinson, and Nancy Hill. But, we did find enthusiastic replacements in Melissa Campbell, Cheryl Maraj, and Stanley Kozcera.

The Library thanks everyone in the community who has donated of themselves to the library, whether monetarily or with their time. Our volunteers logged 496 hours to help the library run smoothly; including our junior volunteers in the children's room. The library also thanks the Plainville Lions Club for funding the Boston Museum of Science pass; the Earth Day Committee for their generous donation of environment related materials and all of the town officials for their support. Finally, we appreciate the dedication and hard work of the Board of Trustees, the library staff and the Friends of the Plainville Public Library.

Respectfully Submitted,

Melissa Campbell
Library Director

TOWN OF PLAINVILLE
HIGHWAY DEPARTMENT

TO THE HONORABLE BOARD OF SELECTMEN:

REPORT OF THE HIGHWAY DEPARTMENT
FROM JULY 1,1996 TO JUNE 30, 1997.

THE HIGHWAY DEPARTMENT HAS HAD A PRODUCTIVE YEAR BUT NOT A YEAR WITHOUT SOME CHANGE.
ON DECEMBER 31, 1996 RONALD FREDRICKSON RETIRED AS HIGHWAY SUPERINTENDENT AFTER COMPLETING MANY, MANY OF OUTSTANDING SERVICE FOR PLAINVILLE. BECAUSE OF RON'S DILIGENT EFFORTS THE TOWN ROADS ARE IN GREAT SHAPE.
I HOPE RON ENJOYS HIS WELL EARNED RETIREMENT
JAMES MARSHALL WAS APPOINTED AS ACTING SUPT. IN JANUARY OF 1997 AND RAN THE DEPARTMENT THROUGH THE END OF AUGUST 1997.

HIGHWAY MAINTENANCE:

ALL STREETS AND SIDEWALKS HAVE BEEN SWEPT. THE ROADS WERE REPAIRED AS NECESSARY. TRAFFIC LINES WERE PAINTED. STREET SIGNS WERE REPLACED AS NEEDED. GRASS MOWING AT THE BLISS UNION CHAPEL, SOUTH BURIAL GROUND, CONSTITUTION PARK, AND OTHER PLACES. WE ALSO PROVIDED ASSISTANCE TO ANY TOWN DEPARTMENT THAT REQUESTED HELP.

RESURFACING OF ROADS:

TAUNTON STREET FROM ROUTE 1 TO THE WRENTHAM TOWN LINE WAS IN-PLACE RECYCLED AND THEN OVERLAID WITH BITUMINOUS CONCRETE.
HIGHLAND AVENUE WAS OVERLAID WITH BITUMINOUS CONCRETE.
PLEASANT STREET FROM EAST BACON STREET TO SCHOOL STREET WAS OVERLAID WITH BITUMINOUS CONCRETE.
WEST BACON STREET FROM FLETCHER STREET TO WARREN STREET WAS OVERLAID WITH BITUMINOUS CONCRETE.
WALNUT STREET FROM WEST BACON STREET TO FIELD DRIVE AND FROM FULLER STREET TO HIGH STREET WAS OVERLAID WITH BITUMINOUS CONCRETE.
HIGH STREET FROM HANCOCK STREET TO THE WRENTHAM TOWN LINE WAS OVERLAID WITH BITUMINOUS CONCRETE.
CHESTNUT STREET FROM HIGH STREET TO THE CUL-TR-SAC
WAS OVERLAID WITH BITUMINOUS CONCRETE.
HAWKINS STREET FROM HIGH STREET TO ALLEN STREET AND ALLEN STREET WERE CHIPPED SEALED.

ALL THE STREETS WERE DONE USING CHAPTER 90 FUNDS AT 100% FUNDING

DRAINAGE:

STORM BASINS WERE REPAIRED OR REPLACED

SNOW REMOVAL:

SNOW PLOWING AND SANDING WAS DONE. STORM DRAINS WERE CLEANED THE EQUIPMENT WAS REPAIR AND PAINTED AS NEEDED.
WE DID HOWEVER LOSE 1 HEAVY TRUCK TO AN ACCIDENT THANKFULLY THE DRIVER WAS NOT HURT.

NEW EQUIPMENT:

A NEW 35000 GVW DUMP TRUCK WAS PURCHASED FOR $52,695.00.
A NEW JOHN DEERE LOADER-BACKHOE WAS ALSO PURCHASED FOR $64,204.00 AND WE RECEIVED $10,000.00 FOR OUR OLD BACKHOE IN TRADE BRINGING THE TOTAL TO $54,204.00.

ALL NEW EQUIPMENT WERE PURCHASED USING CHAPTER 90 FUNDS AT 100%

RUBBISH PICK-UP

RUBBISH PICK-UP WENT AS SCHEDULED WITH A FEW SNOW DELAYS. THE RUBBISH TRUCK DID HAVE A FEW PROBLEMS HOWEVER. THE TRANSMISSION BROKE BUT LAIDLAW FIXED IT AT THEIR OWN EXPENSE AND THEY ALSO FIXED SEVERAL OTHER THINGS TOO. THANK YOU LAIDLAW.

GARAGE REPAIRS:

THE FURNACE IN THE OLDER BUILDING HAD TO BE REPLACED.

STATUS OF ACCOUNTS:

ALL ACCOUNTS ENDED WITH A SURPLUS WITH THE EXCEPTION OF THE SNOW ACCOUNT WHICH WAS OVER SPENT BY $5,145.13.

ALTHOUGH I WAS NOT THE ACTING HIGHWAY SUPERINTENDENT IN FISCAL YEAR 1997. I WOULD LIKE TO THANK ON BEHALF OF THOSE WHO WERE , THE HIGHWAY EMPLOYEES, FOR THEIR WORK IN ALL KINDS OF ADVERSE WEATHER CONDITIONS, AND ALL THE OTHER PLAINVILLE DEPARTMENTS FOR THEIR ASSISTANTS THOUGHT THE YEAR.

RESPECTFULLY SUBMITTED,

CALVIN HALL
ACTING HIGHWAY SUPERINTENDENT

Historical Commission

136 SOUTH STREET

PLAINVILLE, MASSACHUSETTS

02762

Fiscal year 1997 has been one of progress and growth for the Plainville Historical Commission. Three citizens have become active in the group: Chris Murphy as a full member with Ron Fredrickson and Tom Marcotte as associate members. In the election of officers two young and enthusiastic people have stepped forward: Barbara Fulton Parmenter has assumed the office of chairman and Chris Murphy is the vice chairman. Fred and Barbara Flück round out the slate as secretary and treasurer respectively. A new exhibit, entitled School Days in Plainville, opened in April and remained on display through December. During this time we welcomed a goodly number of enthusiastic visitors, including Dens 3 & 4 of Pack 46 Cub Scouts, many classes from the Wood School, the P.U.M.C Fellowship, all of the fifth grades pursuing their unit on the history of Plainville, and more than one hundred people who were attending Plainville Fun Day in the park.

Preservation activities have brought about the completion of restoration of the upstairs of the Humphrey House. In the year to come it is the commission's intent to continue our program of exterior renovation of the building. We have wholeheartedly supported the effort to preserve the Bliss Chapel. The commission undertook the planting of perennials at the Angle Tree Stone during the beautification project so ably spearheaded by Ron Fredrickson, Selectman. Most members of the commission participated in several work parties in preparation for and subsequent to the upstairs work. We were especially happy to work at the establishment of the genealogical library which was presented to us by the family of the late Mildred Breen Morse. This is a fine addition to our library dealing with military conflicts from the French and Indian War through World War 2. Both of these collections may be used on the premises by appointment.

Gifts this year have come from: Mrs. H.L. Dixon, Fred and Barbara Flück, Barbara Fulton Parmenter, Dorothy Evans Rice, Peg Maxcy Sullivan, Arnold White, Fred and Verda Paul, Roger Darby, Barbara Woodward Johnson, Helen Rubyck Cobb, Eva Miller Wickman, Ron Fredrickson, Esther Peckham Myers, Phyllis and Don Perreault, Bob Harris, Elna Wolf Shaw, Rev. J.E. Bryden, Rita Renner Carpenter, Mae Jakubajtis Grant, Roberta Logan Williams, Morse Payne, Dennis Marcure, Andrea Soucy, Natalie Grant Rammel, Carol Rogers Siegel, and the estate of Mildred Breen Morse. The Town of Plainville has also placed in our keeping the weights and measures formerly used by the inspector thereof.

Requests for information usually hit us from all angles. This year they ranged from a query about ghosts at a South Street house to words for the song, 'Buckle down, Winsocki.' Calls were received from a new resident about general town history, from Chicago about the history of No. Attleboro, about the railbed of the Wrentham Branch railroad, from Upton, MA about Lincoln memorabilia, from Cumberland Farms about their site--formerly that of the G.A.R. Hall, from the Conservation Commission about the Turnpike and its ponds, from Illinois about the Cavalcade of Stars as it related to Whiting and Davis, from a man writing a book about Cowboy Town, from the owners for the genealogy of their newly purchased old house, about a man who lived in Wrentham in 1916, from a young student in Sacramento, CA for material on Paul Revere, from SAIC in Middleboro concerning water supply and drainage on a specific site, from a Moses Brown student researching environmental factors in town, for an obituary of a Plainville man, a query about our research files, about the oak tree taken down at Taunton Street and Route One, local native American history for an advanced degree student, about Samuel Fisher the stonecutter, for info on one Amos Perry, from a California genealogist researching the Force family, from a man trying to sell Whiting family memorabilia for $1200.--, from a lady seeking to learn if her great grandparents are buried in this town, plus numerous queries by the proud owners for histories of their homes.

Commission meetings are held on the third Wednesday of the month at the Humphrey House, 136 South Street. We are always happy to welcome visitors.

Park Commission

PLAINVILLE, MASSACHUSETTS
02762

December 15, 1997

To the Honorable Board of Selectmen and the citizens of Plainville:

The Plainville Park Commission hereby submits our report for the year ending June 30, 1997.

This years after school programs included Pillo Polo, Floor Hockey, Indoor Soccer, Basketball and Gym Games. This year our after school programs was also offered to Kindergarten children. Children were also offered trips to Toy Story and Aladdin, the Providence Bruins, the Boston Red Sox and Wachusett Mountain for skiing.

Adults and children both enjoyed our trips to the Radio City Christmas Show, the Boston Pops Christmas Concert, Neil Diamond Concert and Stars on Ice skating show.

The Pool was open from June 15th through August 30th. We had 90 families purchase memberships. We also offered swim lessons to 65 children. The pool was also used by the children in our summer recreation program.

Attendance of:	Children	Adults
We offered 6 trips:	138	63
Summer activities:	224	
Pool	199	157
Lessons	68	
School year activities:	460	

Meetings were held on the first and third Tuesday of each month. Our budget is as follows:

	Budgeted	Expended
Expenses	$ 7,967.00	$ 7,949.01
Salaries	$22,563.00	$23,553.03

We would like to take this opportunity to thank all the volunteers and various town departments for their help and cooperation during the past year.

The Park Commissioners would also like to thank the citizens of Plainville for supporting their request for a new playground.

Respectfully Submitted,
Your Park Commissioner's
Beulah Rench
Cheryl Follett
James Faille

ANNUAL REPORT OF THE TOWN OF PLAINVILLE WATER DEPARTMENT

To the Honorable Board of Selectmen :

We respectfully submit the following report and pumping record for the **Fiscal Year 1997**.

MONTH	YEAR	GALLONS PUMPED	MONTH	YEAR	GALLONS PUMPED
July	96	21,100,900	January	97	17,383,600
August	96	23,107,300	February	97	14,890,200
September	96	17,652,480	March	97	17,183,000
October	96	17,527,900	April	97	15,449,900
November	96	16,148,100	May	97	16,852,000
December	96	18,371,585	June	97	21,694,900

Total gallons pumped during **FY 97 - 217,361,865**

Maximum Day 1,004,000
Average Day 595,000
Minimum Day 432,100

During this fiscal year period a new water rate and new billing procedures were established.

The Water Department operates the Turnpike Lake WELL WATER Treatment Plant which removes iron and manganese from the groundwater pumped from three gravel packed wells located near the southeast shore of the lake. The water is treated with chlorine for disinfection purposes as per Massachusettes Department of Environmental Protection requirements for water filtration facilities; sodium hydroxide for the purpose of Ph adjustment and corrosion control: potassium permanganate for oxidation of iron and manganese as a filtration aid, and aluminum sulfate for iron removal. The water plant is monitored daily and samples for water quality, (iron,manganese,chlorine,Ph & temp.), are taken both before and after treatment to assure proper operation of the filters.

Routine water quality samples were collected and tested at seven points within the distribution system on a monthly basis during the first week of every month, and samples of each individual well were tested at this time as well. The wells were tested for volatile organic compounds,

synthetic organic compounds,secondary contaminants,nitrite,nitrate and inorganics as per Massachusetts Department of Environmental Protection requirements all sample results were within Federal Clean Drinking Water Act Standards. During the past two years the wells were tested for parameters established by the Federal E.P.A. for "Groundwater Under The Influence of Surface Water", Wells #1 and #5 were rated at low risk and Well #2 is rated as having a moderate risk which may require additional treatment in the very near future.

The Wells at Turnpike Lake were cleaned and reconditioned during the month of April, a project which is done annually in late winter or early spring to ensure that they can perform to the best level of efficiency possible during the remainder of the year. Well #1 was constructed in 1964 and is in fair condition, Well #2 was constructed in 1967 and is in good condition and Well #5 was constructed in 1990 and also is in good condition.

Well #3 which is located off West Bacon Street to the rear of the Highway Department was pressed into service during June of 1997 due to very heavy demand on the water system and lack of precipitation. It appears that during this time contamination from an as yet undetermined source was drawn closer to the well. As a result this well has been taken out of service and will remain so until such time as the proper treatment option is determined and properly approved and funded.

The Water Department through it's consulting engineers, Dufresne-Henry, Inc. completed a prolonged pump test at a potential future well site located off Hillside Road near Lake Mirimichi and a report has been submitted to the D.E.P. for review. The results of this pump test indicate that a well field of less than originally anticipated yield may be anticipated.

Overall, the condition of the Water Supply Wells are fair. The Town of Plainville is experiencing the same water supply problems as most, if not all of the surrounding communities and the state as a whole. Meeting the peak flow requirements of a growing community becomes increasingly more difficult. It has become very difficult for us to locate and develop additional sources of water supplies as we co-operate with other environmental groups regarding wetlands protection, wildlife protection, stressed watershead areas,etc.. At present we are faced with the problem of meeting the peak demands during summer months. Water systems are not designed to be irrigation supplies, therefore we request that consumers use common sense and prudence in their use of our most precious natural resource. The Plainville Water Department, out of necessity, will remain on an odd/even schedule of outdoor water use until further notice or until such time as conditions change.

During 1997 one third of all fire hydrants were inspected and operated to assure operational readiness, three were found defective and replaced;2,000 ft of 12" water main was installed which replaced old 6" and 8" mains in a section of Pleasant Street and Maple Street; 2,500 ft of new 8" water mains were installed in subdivisions;16 fire hydrants were added to the system, 32 new water services were connected to the system, four leaking services were repaired, 85 meters were

installed and or replaced by Water Department personnel: 583 meters were changed by Central Installation,Inc. as part of the meter modernization program,house service locations were updated in several areas of town,pump station buildings were cleaned and maintained on a weekly basis,and two water main breaks were repaired. Water Department personnel participated in several training programs sponsered by Massachusetts Water Works Association and New England Water Works Association. Although the Water Treatment Plant removes 98% of the naturally occurring iron and manganese from the groundwater numerous complaints of dirty water were received, which required water mains to be flushed by means of opening fire hydrants and letting the water run until it clears. A comprehensive flushing program and water main rehabilitation program needs to be established to correct this aspect of the problems of the distribution system.

1997 saw a change in the membership of The Board of Water Commissioners, with the retirement of Dennis Baril and the election of Miguel Benes. We thank Dennis for his years of service to the Town and wish him well : and welcome Miguel to the Board with all of it's associated challenges. The Board would also like to thank and acknowledge Patricia Barney, Dennis Marcure and Dean Johnson for their continued hard work and dedication to the day to day operation of the department. A special note of thanks from Superintendent Marshall to the Board of Water Commissioners, Water Department staff, Highway Department staff, Board of Selectmen, Town Administrator, Department Heads, Town Hall staff, Fire Department, Police Department and others for the assistance and co-operation received during the year it was and is greatly appreciated !

David Bois, Chairman : Michael Stoffel, Vice Chairman : Miguel Benes, Clerk

ANNUAL REPORT OF THE TOWN OF PLAINVILLE SEWER DEPARTMENT

To the Honorable Board of Selectmen:

We respectfully submit the following report and sewer flows for the **Fiscal Year 1997**.

MONTH	YEAR	SEWER FLOW GALLONS	MONTH	YEAR	SEWER FLOW GALLONS
July	96	6,270,000	January	97	9,318,000
August	96	6,950,000	February	97	10,928,000
September	96	6,170,000	March	97	13,760,000
October	96	9,305,000	April	97	17,107,000
November	96	10,638,000	May	97	8,716,000
December	96	18,319,000	June	97	8,218,000

Total gallons of sewage to North Attleboro **FY 97 - 125,699,000**

During this fiscal period the sewer pump station which services a portion of the Messenger Glen sub-division was turned over to the Planville Sewer Department. This pump station was privately constructed by the developer of Messenger Glen. There were 37 new connections made to the sewer system and 2,500 ft of new sewer mains were installed. Six blockages were reported and investigated, the results were that the blockages were within the service laterals to the properties and were the responsibility of the property owners. Approximately half of the sewer collection system was visually inspected in the street, these inspections indicated the presence of buildups of grease and phosphates at several locations, and were cleaned with the assistance of the Town of North Attleboro Sewer Department's crew and equipment, lighter buildups were cleared by Plainville staff. The Massachusetts Highway Department reconstruction project at the intersection of Routes 1 and 106 resulted in three separate blockages of the sewers in this area and were cleared accordingly without disruption of service to any users of the system. There remain numerous connections to the sewer system yet to be completed. Property owners with lateral connections from street to property line are advised to make plans to complete these installations as soon as possible.

The Board of Sewer Commissioners thanks all other Town Boards and Officials with whom we have had the opportunity to work with and express our appreciation for all assistance rendered during the year.

David Bois, Chairman : Michael Stoffel, Vice Chairman : Miguel Benes, Clerk
James Marshall, Jr. : Superintendent

JOHN CALIRI
Chairperson, Board of Directors

ULYSSES G. SHELTON, JR.
Executive Director

December 29, 1997

REPORT TO THE TOWN OF PLAINVILLE

During the program year ending September 30, 1997, Self Help, Inc., received a total funding of approximately $10.5M and provided direct services to 16,251 limited income households in the area.

In the town of PLAINVILLE, SHI provided services totaling $46,419 to 165 households during program year 1997.

The total funding of $10,525,610 does not tell the real value of human services delivered to the area as a whole. Self Help's funding enabled us to mobilize an additional $1,189,088 of other community resources such as, volunteers, donations of space, and private donations in the form of goods and services. Therefore, the gross value of Self Help, Inc., during the past program year was $11,714,698.

In addition, Self Help currently employs 255 individuals, many of whom are of limited income, minorities, and who reside in our service area.

We feel that October 1, 1996 through September 30, 1997 was a successful program year for us because we were able to assist as many limited income individuals and/or families as we did, in spite of the challenges with which we were faced, such as the elimination and/or down-sizing of programs and the decreases in funding we experienced.

We thank all the volunteers, the Board of Selectmen and Mr. James Dinsel, your representative to our Board of Directors, Mr. Richard Sargeant, representative of the limited income sector, and representatives of the private sector, for helping to make Fiscal Year 1997 a success.

Respectfully submitted,

1997 ANNUAL REPORT OF THE SOUTHEASTERN REGIONAL SERVICES GROUP

The Southeastern Regional Services Group (SERSG) is a consortium of sixteen cities and towns located in Southeastern Massachusetts who have signed an Inter-Municipal Agreement for the purpose of creating a voluntary regional association. Members pay a yearly assessment of $3100.00 per year. The Board of Directors of SERSG design a yearly work plan of shared services that member communities will receive. Continuing SERSG projects include: cooperative purchasing (which continues to save members thousands of dollars), shared personnel training, monitoring of the de-regulation of the electric utility industry, drafting of a model street opening by-law for the purpose of assuring that public ways are properly restored following excavations, and grant writing for joint applications. The Boards of Health of the Towns of Easton, East Bridgewater, Raynham and Stoughton asked SERSG to organize a Board of Health collaborative and to write a grant application on their behalf for a grant from the Massachusetts Tobacco Control Program. This collaborative was funded by the dept,. of Public Health for three years. These communities will benefit from shared tobacco cessation services, health education and technical assistance with drafting regulations.

SERSG is assisted with its mission by three advisory Councils. The SERSG Academic Council is composed of distinguished political scientists from area institutions of higher education. It met twice during 1997- at Stonehill College in march and at Northeastern University in September. We shared our luncheon at NU with former Gov. Michael Dukaki who now teaches in their political science department. Our Legislative Council consists of those members of the U.S. House of Representatives, the Mass. State Senate and the Mass. House of Rep. whose districts include SERSG communities. Our Legislative Council met once in May with our featured speaker being Congressman Barney Frank who spoke about the changes that will result from balancing the federal budget. The SERSG Executive Council, consisting of all of the serving chief executive officers of each SERSG member community, had its inaugural meeting in October at The Martin Institute. Our speaker at that meeting was Paul Trane, former Communications Director for the City of Somerville, who spoke about Telecommunications Planning.

The SERSG program is flourishing and your municipality is receiving great value for its investment. We look forward to new and additional opportunities to serve your community in the up-coming year.

Catherine L. Salisbury, SERSG Regional Administrator

NORFOLK COUNTY MOSQUITO CONTROL PROJECT

Building #34 Endicott Street
Norwood, Massachusetts 02062
Telephone # (617) 762-3681

December 30, 1997

Town of Plainville

1997 REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL PROJECT

The operational Project Program integrates all proven technologies into a system of mosquito control that is rational, safe, effective and economically feasible. All mosquito eggs need stagnant water to hatch and to sustain larval growth.

Source Reduction Work: Our primary efforts are concentrated on the drainage of shallow, standing, stagnant water, and the maintenance of existing flow systems which contribute to mosquito breeding sources.

- Drainage ditches hand cleaned: 5,185 feet
- Culverts cleaned: 7 culverts

Larviciding: Treatment of mosquito larvae during aquatic development is the next most effective control effort. The Project has begun to rely more on briquet applications, which provides a more site specific, sustained type of control for the mosquito larvae.

- Larvicide with briquets: Total briquets: 412 0.9 acres
- Larvicide with mistblower: Total gallons: 14.5 14.5 acres

Adulticiding: The suppression of flying adult mosquitoes becomes necessary when they are numerous, annoying, or threatening to residents. All fogging is done in response to adult surveillance which includes logging of citizen complaints.

- Adulticide fogging (1/2oz./acre) from trucks: Total gallons: 7.75 1,984.00 acres

Surveillance: In an effort to more fully implement an Integrated Pest Management (IPM) approach, the Project has expanded data collection and surveillance. Surveys, inspections, and monitoring in support of our program include locating and mapping larval breeding areas. Locations of nuisance populations of adult mosquitoes are also identified through the surveillance program.

- Total man hours in town: 153.0 hours

The Project received 46 calls from residents for information and assistance.

Respectfully submitted,

John J. Smith, Superintendent

for more information on the Project please access our Website at http://home.sprynet.com/sprynet/tdescham

A MESSAGE FROM THE NORFOLK COUNTY COMMISSIONERS

To the Citizens of Norfolk County:

As Norfolk County Commissioners, we saw significant changes take place in county government within the Commonwealth in fiscal year 1997, including an attempt to abolish it altogether. Through prudent financial management in our county over the years and legislative awareness, motivated by the belief that the ability to communicate with and provide valuable services to our municipalities on the county level was a valuable commodity to our citizens, Norfolk County survived.

For some time we have realized the importance of supporting regional services throughout the county and in 1997 continued to provide grants to D.O.V.E. and R.&S.V.P., as well as grants to food pantries within the county. The budget also provided for grants to the Norfolk County Fire Chiefs Assoc. for the equipping of a mass casualty incident vehicle. A grant to the South Shore Drug Task Force reinforced their efforts to combat drug-related activities and crimes. The United Chamber of Commerce, which includes several Norfolk County towns also received a grant to hire an economic development consultant.

Our county engineering department rendered useful and necessary assistance to municipalities who would otherwise have to pay for such services. Wollaston Recreational Facility, housing Presidents Golf Course in North Quincy, gave golfers an affordable and quality course on which to enjoy the game, and also provided a camp for tennis enthusiasts. The Registry of Deeds, as always, provided outstanding services through its state of the art computer system and proceeded with developing its digital imaging program, while Massachusetts Respiratory Hospital in Braintree continued to provide specialized care for patients. Everyone was saddened at the death of Norfolk County Sheriff Clifford H. Marshall. Our newly appointed Sheriff John H. Flood expanded the current programs and worked towards initiating new ones. Our Agricultural High School in Walpole received accreditation for another ten years and continued to show a steady increase in enrollment, while developing technical programs and involving students in community service work. All of the preceding statements demonstrate that county government works in Norfolk County.

We wish to continue to be of service to the citizens of Norfolk County, and express our thanks to the advisory board, its coordinator, county and municipal officials, including our newly elected County Treasurer, Timothy P. Cahill, department heads, employees and interested citizens for their support, cooperation and assistance during the past fiscal year.

Respectfully submitted,

William P. O'Donnell
Chairman

John M. Gillis
